

FEEDBACK ANALYSIS REPORT 2018-2019

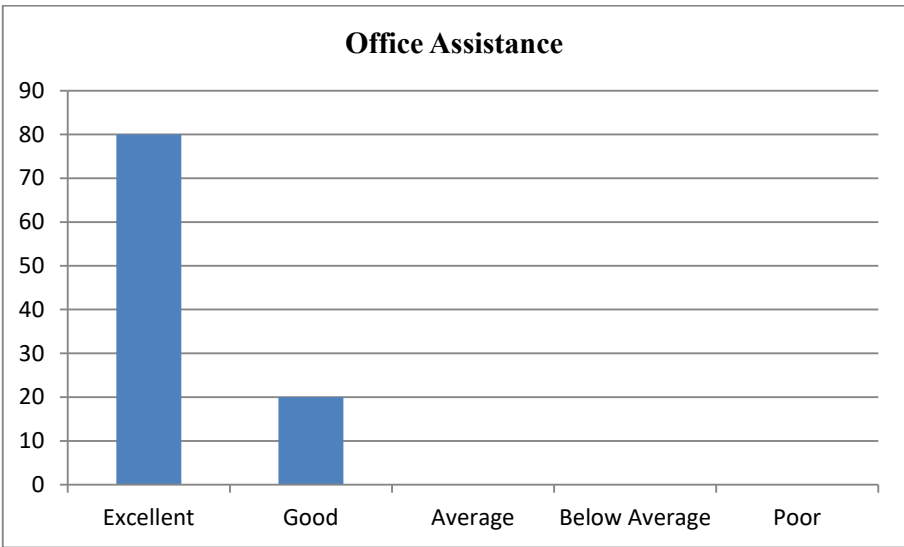

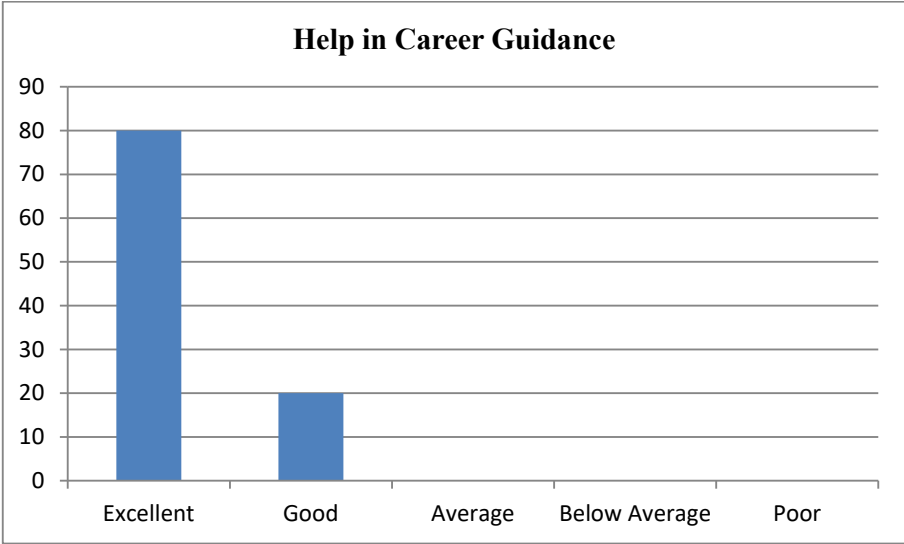

Feedback from students and parents are collected every year for the assessment of the institution and faculty. Students' opinion on various parameters are measured in a five point scale. A random sample of students from all departments of the college was selected with a proportional representation to each programme. The data collected has been analysed, a report is prepared and is discussed in the council.

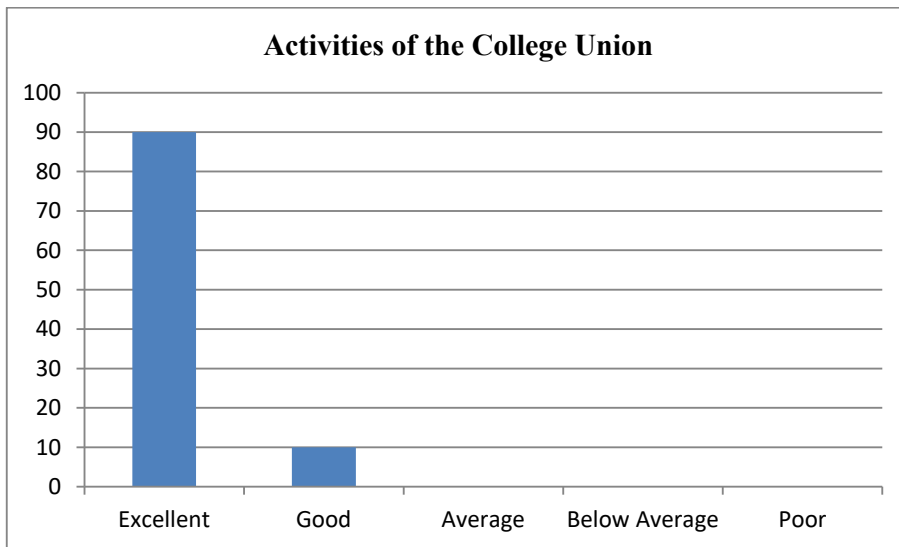

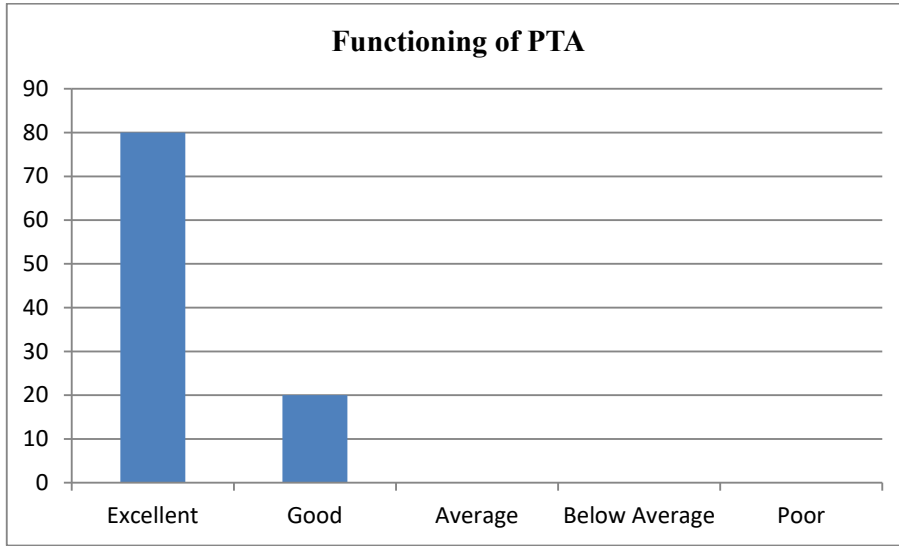

Student Feedback on College 2018-2019

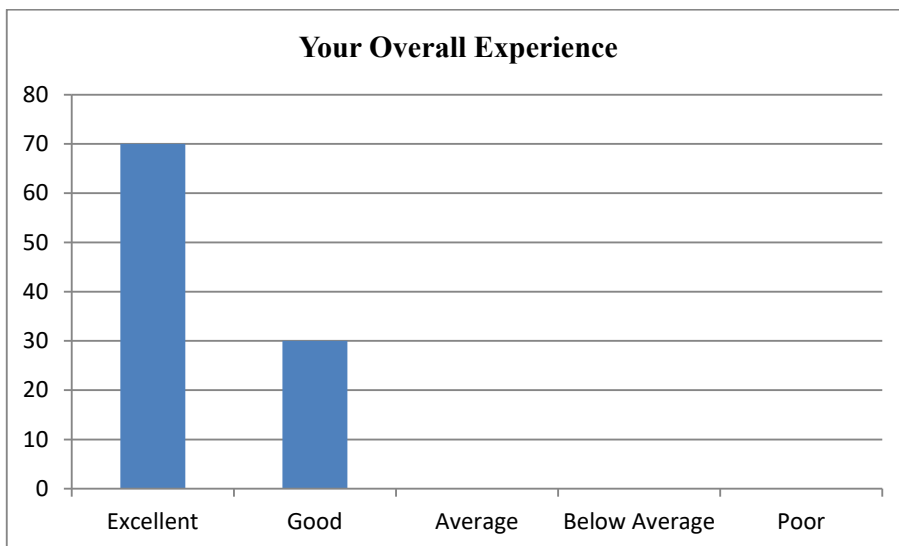

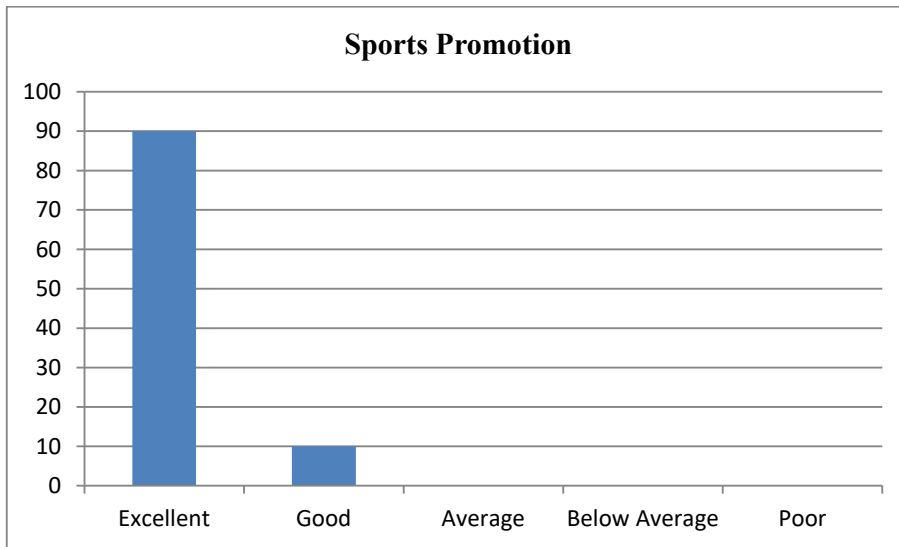

When the feedback from students for the evaluation of the college was analysed, it was found that the overall experience of students in the college is excellent. 90% of students agreed that the discipline enforcement in the campus is excellent. The remaining 10% marked the same parameter as good. The majority rated the library facility as good, but 30% opined that the library facilities should be improved. All students agreed that they get proper help in career guidance. Sports promotion through the Department of Physical Education is marked as excellent. Students are fully satisfied with the functioning of Parent Teacher Association and all of them agreed that they get enough assistance from the college office. The majority rated the canteen facility and the facilities like toilet and drinking water as above average. The activities of the college union was assessed as excellent.

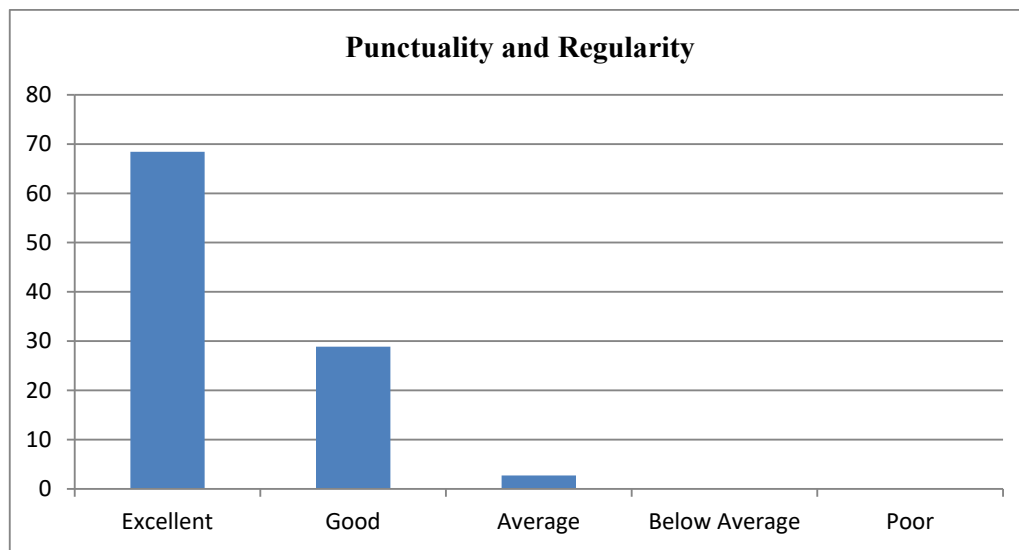

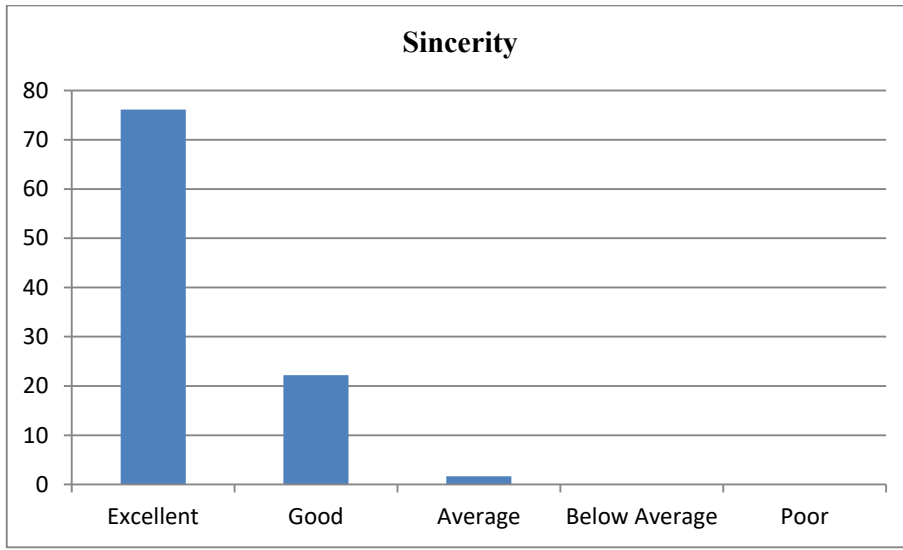

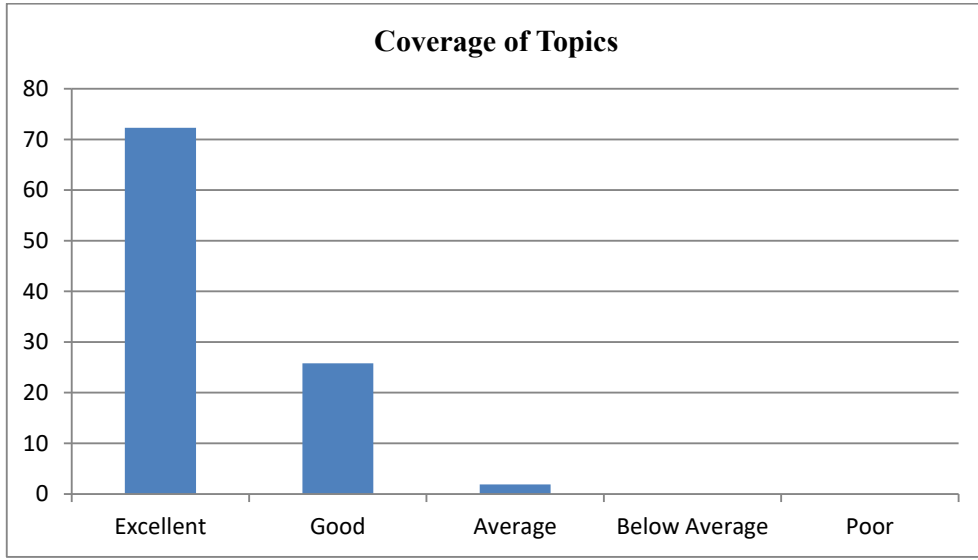

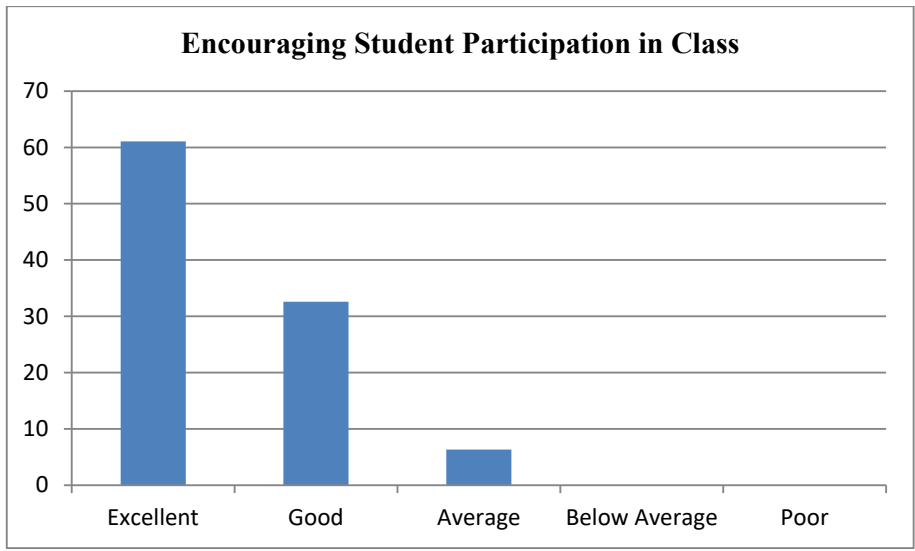

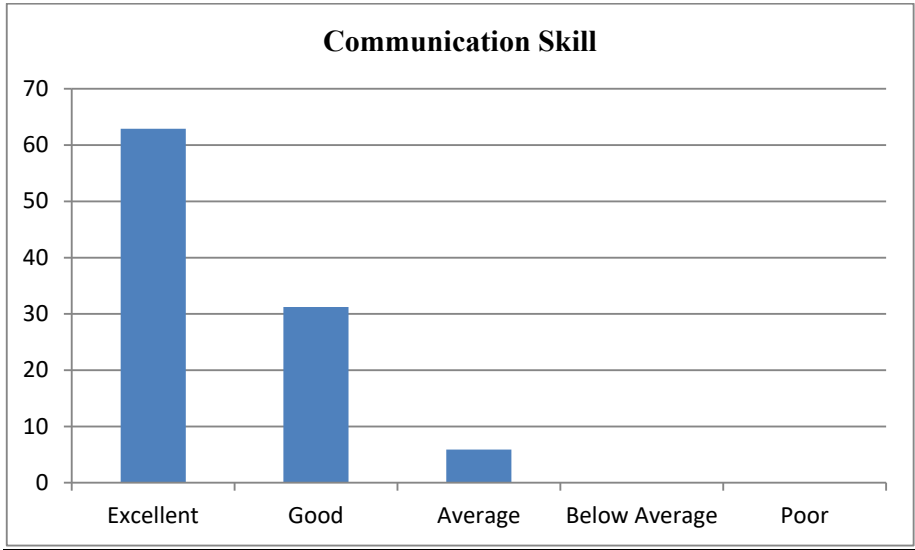

Student Feedback on Faculty 2018-2019

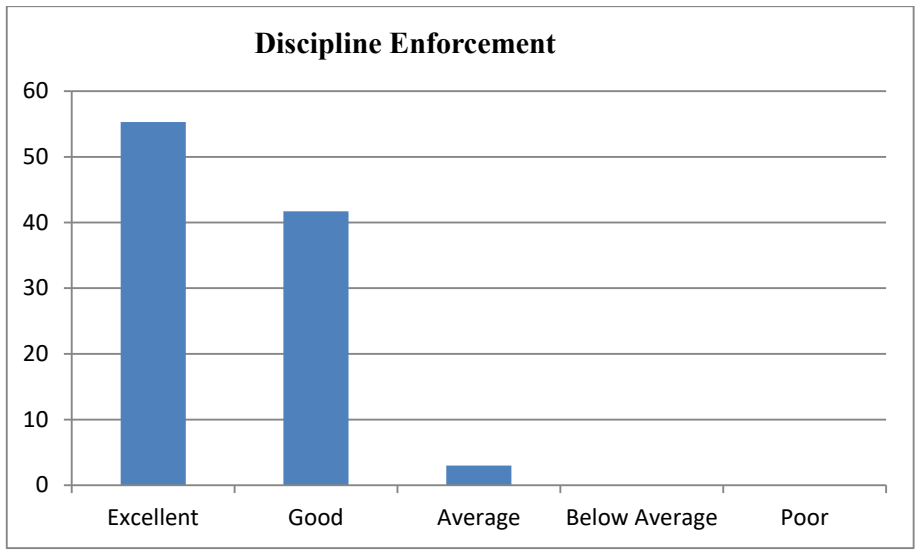

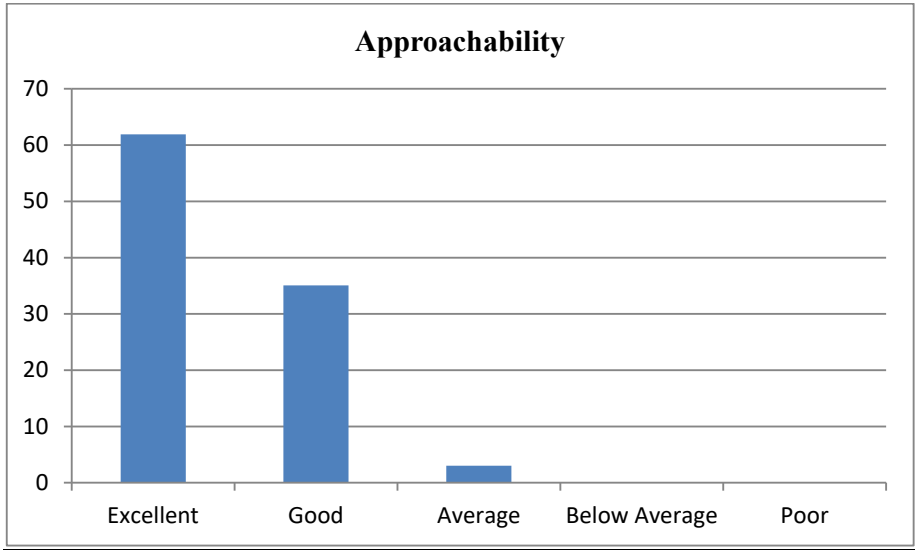

During 2018-2019, students were instructed to evaluate their faculty based on ten attributes on a five point scale (excellent/good/average/below average/poor). 68% of students concurred with the opinion that all teachers are excellent in punctuality and regularity. 29% of students rated teachers as good in the same parameter. 94% of students opined that

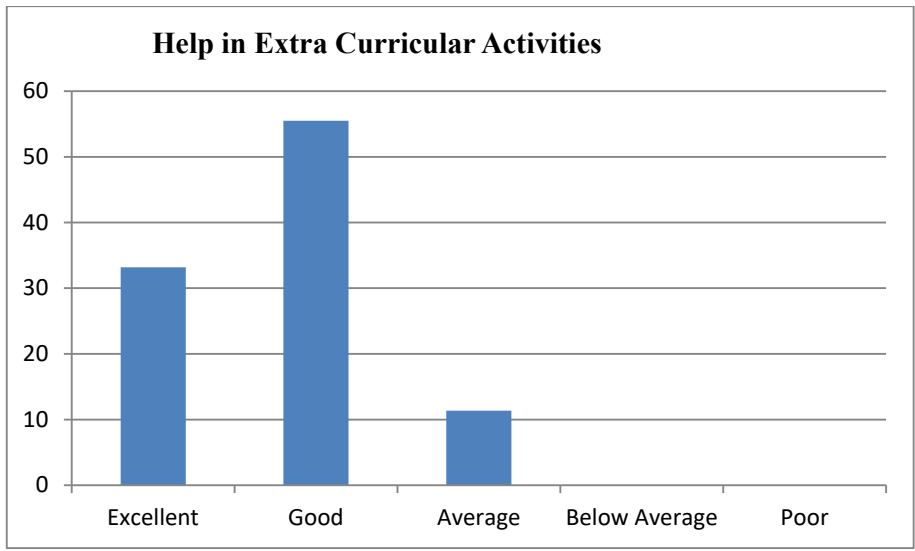

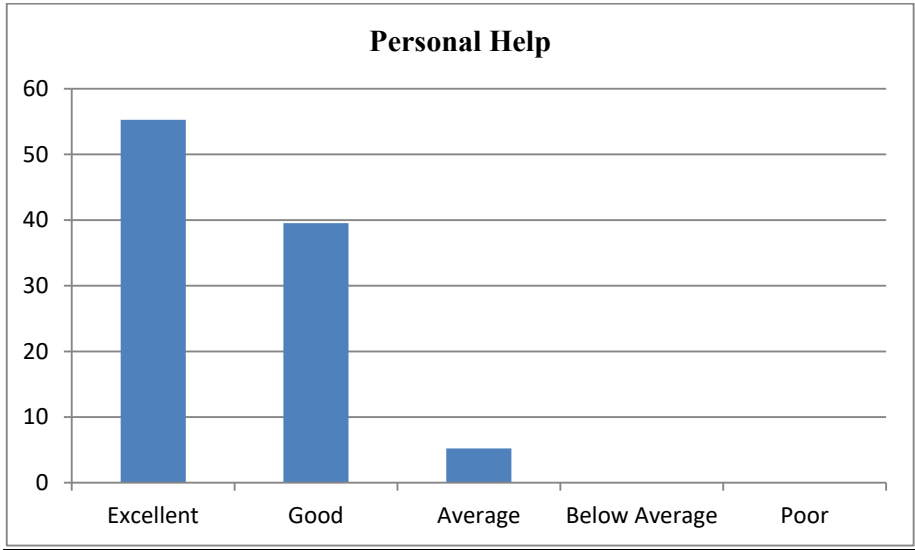

teachers are good in communication skill in terms of articulation and comprehensibility. Almost all the students agreed that teachers are sincere and approachable. Students are of opinion that the coverage of all topics is ensured by all teachers. Analysis also revealed that the majority of teachers encourage student participation in class rooms, but 6% have the opinion that teachers should encourage student participation in classrooms. Discipline enforcement of teachers is evaluated as excellent and good. Ability of teachers to conduct test and its evaluation for the better understanding of the course was rated excellent and good, but 5% of opinion is that the teachers are yet to be improved in the mentioned criteria. The analysis shows that according to the perception of students they get enough help and guidance from the teachers, but they need more encouragement in extra-curricular activities.

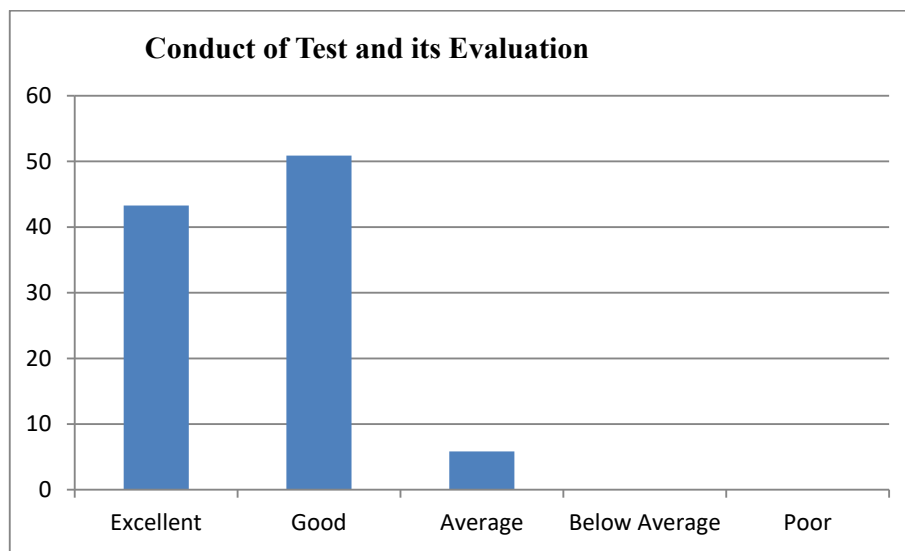

Parent Feedback on College

An analysis of feedback from parents was done for the evaluation of the facilities and services provided by the college during 2018-2019. Parents were asked to rate college on twelve attributes on a five point scale (very good, good, tolerable, poor, very poor). All parents agreed that discipline is excellently maintained in the campus. All are fully satisfied with the quality of teaching ensured by the faculty. All parents are pleased with the strictly maintained attendance system and well organised internal evaluation. The institution ensures clean and hygienic environment to all students and provide them with various amenities like drinking water and Wifi. The opinion on the assistance provided by the college office is marked as very good. The library facility and canteen facility can be improved. Parents agreed that the college offers very good opportunity to participate in sports activities. The overall rating of the institution was very good.
