**THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL**

**Student-Centred Knowledge  
Enrichment Programmes.**

Effective and participative teaching-learning is intended to make education a two-way process. It helps enriching the students' knowledge and enhancing the research aptitude. Seminars, workshops and group discussions are part of such programmes. The IQAC of the college emphasized on learner-centered teaching manner by arranging seminars, workshops and invited talks using experts in each area. This type of teaching-learning programs helped in enriching the students' knowledge in various subjects. Students of all disciplines used the opportunities to interact and collaborate with subject experts from other colleges. 'Zest' is the seminar series organized in 2016-17 to commemorate the golden jubilee celebrations of the college. It was inaugurated by Dr G Jayaprakash, Director, College Development Council, University of Kerala. Urja Kiran, one our other prestigious programs conducted by the college was inaugurated by Shri. K Raju, Minister of Forests and Wildlife Protection in 08 February 2017. On February 22, 2017, our college organised a one-day National Seminar on "Intellectual Property Rights" sponsored by PIC (Patent Information Centre) and Kerala State Council for Science, Technology and Environment. The focal theme of the seminar was Patents for inventions, Trademarks, Industrial designs, Geographical indications, Copyrights etc. Post Graduate Department of Mathematics organized a national seminar on 'Python Programming in Mathematics' on August 8 to 9, 2018. All departments arranged webinars with the help of experts during the year 2020-21 when the college remain closed due to the Covid-19 lockdown. PG Department of Physics organized workshop on Python Programming in association with SN College, Kollam, which was highly useful to students for advanced learning. 'Cognizance 2020' was the first edition of the annual multidisciplinary webinar series. It was organized by IQAC in association with various departments of Sree Narayana College, Punalur. All departments conducted webinars during the months of December 2020 and January 2021. Every student has been given the opportunity to complete their projects with live industrial/institutional experience under the supervision of teachers. Many studious students presented their research papers in the seminars organized by the college.

Sree Narayana College, Punalur was established by the S.N. Trusts, Kollam in obedience to the great saint, philosopher and social reformer Sree Narayana Guru. The college was officially inaugurated by the former Chief Minister Sri. R. Sankar on 15 July 1965 whose pioneering efforts resulted in establishing a group of institutions named after Sree Narayana Guru. Nestled in a serene and calm campus of 25 acres, the college effectively serves the educational and intellectual needs of society ensconced in the eastern part of Kollam district. The college offers Degree courses in Physics, Chemistry, Zoology, Mathematics, Commerce, History, Economics and Communicative English and PG courses in Mathematics, Chemistry and Physics. The college is reaccredited by NAAC with grade B. Also the college is supported by Fund for Improvement of Science and Technology (FIST) Programme of Department of Science and Technology (DST). Having a glorious tradition of its own, the college looks forward for greater accomplishments in the forthcoming years.

# WORLD WETLAND DAY CELEBRATIONS

10  
2017  
FEBRUARY

WORLD WETLAND DAY  
WETLANDS FOR DISASTER RISK REDUCTION

Organized by  
Department of Botany & Zoology  
SREE NARAYANA COLLEGE PUNALUR, KOLLAM

Focal Theme  
Wetlands for Disaster Risk Reduction

Sponsored by  
Kerala State Council for Science, Technology & Environment (KSCSTE)

WORLD WETLAND DAY  
WETLANDS FOR DISASTER RISK REDUCTION

Dear Sir/Madam,

Sree Narayana College, Punalur is organising World Wetland Day Celebrations on 9<sup>th</sup> & 10<sup>th</sup> February 2017 in association with Kerala State Council for Science, Technology & Environment (KSCSTE). World Wetlands Day is celebrated every year on 2<sup>nd</sup> February to raise global awareness about the value of wetlands for humanity and the planet. It also marks the date of adoption of the Ramsar Convention on Wetlands in 1971, in the Iranian city of Ramsar. World Wetlands Day was celebrated for the first time in 1997. "Wetlands for Disaster Risk Reduction" is the theme for World Wetlands Day in 2017. Wetlands play an important role in reducing the impact of extreme weather events such as floods, droughts and cyclones. Wetlands act as a natural sponge, absorbing and storing excess rainfall and reducing flooding. During the dry season, they release the water stored, delaying the onset of droughts and reducing water shortages.

We are organizing different activities like Essay writing competition and Field oriented activities cum a popular lecture on Wetlands for Disaster Risk Reduction. We cordially solicit your esteemed participation to make this event a grand success.

Dr.Biju.C  
(Co-ordinator)

Dr.Jasmine Anand

# **Women Empowerment Programs.**

More than 60 per cent of the students in the college are women. Through IQAC we conducted programmes that focused on empowering in self-defense and legal awareness. Several programs were conducted in association with the police departments, Law departments, self-defense and yoga classes for the girls. The acceptance and participation of the programmes were highly motivating. A workshop on *“Development of Women Entrepreneurs”* jointly organized by the Entrepreneurs Club and Department of Commerce in association with District Industries Center was held on May 7<sup>th</sup> 2019. College Anti- Narcotic Cell in collaboration with Department of Excise, Govt. of Kerala enlightened the students against the use of alcohols and other kinds of narcotics stuff. A special wing Police called ‘Janamythri Police’ organized Self Defense Programs for women. The training was imparted in legal classes with the help of judges and lawyers in association with District and Taluk Legal Authority. As a result several girl students were able to gain confidence.

**Legal awareness class – conducted in association with Kollam District Legal Cell**
