A Glimpse to the Seminar prospects

Career Guidance is a counselling programme designed to help students to choose the right career path based on their educational and professional choices. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available. The Career Guidance & Placement Cell had been established in the college with a vision to encourage students to participate in competitive examinations, conducting placement drives and to set their career goals. The College Principal, Dr.Shiny Mathews constituted the Career guidance & Placement cell for the academic year 2024-2025. Dr.Divya.S.Rajan, Assistant Professor, Department of Zoology was nominated as the Convenor of the cell and the others members are

Ms.Jasmine Rose, Associate Professor of Department of Mathematics,Ms.Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany, Dr.Deepika V.S, Assistant Professor, Department of Economics.

BROCHURE OF THE PROGRAMME

PROGRAMME SCHEDULE

-  Prayer : III DC Students (Zoology Department)
-  Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)
-  Presidential address: Capt.Dr.Arun.V (Principal in Charge, S.N.College, Punalur)
-  Felicitation : Ms.Jasmine Rose.J (Associate Professor,Mathematics Department)
-  Resource Persons : Mr.Vivek (GM & CFO ,Skillspark, the finishing School)
-  Vote of thanks : Aiswarya.A.S

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. The Felicitation was rendered by Ms.Jasmine Rose.J, Associate Professor, Department of Mathematics together with the presence of Ms.Resmi.A, Assistant Professor, Department of Botany.The Career guidance talk was led by Mr.Vivek (GM & CFO ,Skillspark, the finishing School). Around 79 students had participated in the programme.

Their vision is to become a trend setter in providing the best in class professional training that carve ready to perform professionals for the Accounts & Finance industry. They assured that their in-house Research & Development team always ensure that our students get the right skills to fulfill what the industry demands. The Stake holders of Skillspark have more than 15 years of

experience in the Education field, especially in professional skill development field. Along with this hard-core experience, they embrace the possibilities of technology to impart the ideal skills to our students by the development of a Career Development club in our Campus. Career guidance is a formal way for people to receive advice on their career at different stages. Along with this advice, this process often involves formal programs that help people both plan and execute any decisions they make in their career. Professionals in career development often create generalized programs or custom programs for individuals to help each person through these changes. He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of. All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students. The seminar can help the students objectively to review their performance and actions and provide them with adjustments to make that can make them feel motivated. This might involve setting small goals to help build their confidence as they work towards achieving larger goals.

INTERACTION OF THE RESOURCE PERSON WITH THE UG STUDENTS

Highlights of the programme

The programme focused on personal growth, interpersonal effectiveness and skills that are vital for placement and career growth. The programme benefited the students to face interviews and gathered knowledge on aptitude skills. Informations pertaining to the interview skills and industrial awareness to gain success in their careers were delivered. Being a professional with global outlook and updated knowledge he was able to address the career related doubts of students effectively. They conducted a mock test to analyze the overall potential of the student group. The programmes envisaged on the professional development of students by training them towards employability skills as well as resume building, group discussion and interview skills which in turn help the students to move into higher studies and desired occupation. It was a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. A career guidance and counseling develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. Career guidance and counseling helps individuals in acquiring the knowledge, skills, and experience necessary to identify options, explore alternatives and succeed in society. Career guidance and placement cell provided guidance and technical assistance for the students in order to achieve their career goals. The programmes provided platform for the students to enhance their skills such as; leadership, self- confidence, team building, time management, effective communication, conflict management and cognitive ability. An MOU was signed between Skillspark and Sree Narayana College, Punalur. Aiswarya.A.S, a student of final year UG Zoology representative delivered vote of thanks.

Futuristic perspectives

The programme aimed to teach participants to work. effectively with various professionals, people and groups and enhance their communication skills and interpersonal skills in order to function in professional and

social settings effectively. Overall, the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education. Academic career guidance is one of the most important guidance that students need to nurture their future. The decisions of early student life have a major impact on their career, which is not just restricted to their academics but have an impact on their social, financial, and personal life. Students are considered as the future of a country, and for a prosperous future, students need correct guidance, especially at an early stage of their academics. The correct guidance by an expert career guidance counselor will help the students to understand and choose their career options as per their knowledge, skills, interest, and capability.

BROCHURE OF THE PROGRAMME

Spoken Tutorial was established at IIT Bombay with the funding from the Ministry of Education (previously Ministry of Human Resource Development). Spoken Tutorial is a multi-award winning educational content portal. Here one can learn various Free and Open Source Software all by oneself. Their self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning, can learn from any place, at any time and in a language of their choice. ST is a 10-minute-long audio-video tutorial created using the screencast methodology where the face of the person creating the video is not captured, rather the students are shown the lesson to learn. The spoken part of ST is dubbed into all Indian languages and one can use ST to learn a topic, called a tutorial. This distinguishes ST from rest of the other video tutorials available online. It can be used in offline mode as well and hence is useful to those who do not have access to Internet. STs can be used to raise the levels of teaching/learning in educational institutions of higher learning through the ICT based pedagogic tools. Although this may be useful to all fields, we will have a special focus on science and engineering, considering the vast scope and our limitations to cater to everyone.

Their courses are simple and easy to follow even for a beginner but they also meet the growing needs of the learner. Their engaging digital content ensures that learning happens at all levels - Basic, Intermediate and Advanced. Their content mandates side-by-side practice thereby ensuring that learners are actively learning. Many of the software taught, are used in various disciplines of Engineering, pure Sciences and several other Under-Graduate and Post-Graduate studies, and can be extended to Commerce, Arts and Management streams as well. Alongside these, there are some courses relevant at School level, too, which help school students to visualise difficult concepts of Math and Science. These can also be used by Teachers to prepare lesson plans, explain abstract concepts and give digital assignments to students. The learning can happen in an organised manner as well. Faculty in institutes can organise their batch of students into groups, who will learn a particular software course for an entire semester. The ST course can be mapped to the Course/Lab manuals and systematic learning can take place. If the academic timetable permits, then a single student can learn upto 3 different ST courses in one semester during the designated academic Lab hours. End-of-Course online tests and certificates are available for those who wish to test their expertise in a particular software. These certificates give an edge to students during placement by increasing their employability potential.

Objectives of the SDP

The main objective of this project is to promote IT literacy for education and improve the employment potential of learners in India, using FOSS (free and open source software). ICT is an important area that provides jobs to a large number of our students. Software creation, electronic design automation (IC design),

numerical computing, and modelling and simulation are some of the ICT areas. We aim to pass on the knowledge of technology and free and open source software (FOSS) through the website to the millions in our country, who lack opportunities and/or access to learn any software.

STUDENTS CERTIFICATES FOR COMPLETION OF THE COURSE

CERTIFICATES FOR THE PARTICIPANTS OF THE COURSE

Certificate of Participation

This is to certify that **Archana S.R** has participated in **Student Training Programme** from **2024-09-19 to 2024-10-21** on **Python 3.4.3** organized by **Sree Narayana College,Punalur** with course material provided by Spoken Tutorial Project, IIT Bombay.

This training is offered by the Spoken Tutorial Project, IIT Bombay.

Prof. Koushik M Srinivasan
IIT Bombay

Credits for the Spoken Tutorial courses are based on our estimates of the work required to complete them. Recipient institutions are required to apply due diligence and get them ratified/modified by their own duly formed academic/assessment body. Spoken Tutorial is a project at IIT Bombay, started with funding from the National Mission on Education through ICT, Ministry of Education (previously MHRD), Govt. of India.

Certificate of Participation

This is to certify that **B Amrutha** has participated in **Student Training Programme** from **2024-09-04 to 2024-10-04** on **Python 3.4.3** organized by **Sree Narayana College,Punalur** with course material provided by Spoken Tutorial Project, IIT Bombay.

This training is offered by the Spoken Tutorial Project, IIT Bombay.

LETTER OF ASSOCIATION

To,
The Principal,
Sree Narayana College, Punalur, Kollam,
Kerala-691305, India.

We are happy to announce the ASSOCIATION of Knowledge Partner Spoken Tutorial, IIT Bombay with **Sree Narayana College, Punalur, Kollam, Kerala**. Your college is officially now an **Academic Center-ILM** for initiating Spoken Tutorial Training. Spoken Tutorial, IIT Bombay was established with funding from the Ministry of Education, Government of India (previously MHRD), to spread IT literacy all over India. We are promoting the learning and usage of Free & Open-Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

We support and motivate colleges to train students in Basic Computer, Software, and IT Skills. The course and the training are offered for Rs. 236/student/course and Rs. 590/faculty/course including GST to the college. Your association is highly appreciated. The college has trained 3 learners in **Python 3.4.3**. This letter is issued for **September 2024 to October 2024** to **Sree Narayana College, Punalur, Kollam, Kerala**

Looking forward to many enrolments and covering more departments in the college. You are making an outstanding contribution to using ICT-based teaching and learning methodology for students of your college.

For and on behalf of
Spoken Tutorial,
Indian Institute of Technology, Bombay

A Brief report on the Orientation

Career guidance is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. A career guidance and counseling program develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. Career guidance typically begins with an assessment of an individual's skills, interests, and strengths. This information is then used to identify potential career paths that may be a good fit. Career guidance can provide individuals with accurate and up-to-date information about different career options, job market trends, and educational requirements. This information can help individuals make informed decisions about their career choices. Hence, it is

crucial to take professional career guidance. The College Principal, Dr.Shiny Mathews constituted the Career guidance & Placement cell for the academic year 2024-2025. Dr.Divya.S.Rajan, Assistant Professor, Department of Zoology was nominated as the Convenor of the cell and the others members are Ms.Jasmine Rose, Associate Professor of Department of Mathematics, Ms.Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany, Dr.Deepika V.S, Assistant Professor, Department of Economics.

Awareness to Arts stream of UG final year

Objectives of the DWMS Orientation

India is a developing country, and its strengths lie in the minds of young students. They must understand the significance of career guidance to make an informed decision regarding their progressions in their career.

Kerala Knowledge Economy Mission (KKEM)

A Kerala Development and Innovation Strategic Council (K-DISC) initiative, Kerala Knowledge Economy Mission (KKEM), aims to create jobs for the educated by transforming Kerala into a Knowledge Society that produces, consumes and transacts knowledge for the benefit of its own social and economic development. Over the next four years, the Kerala Knowledge Economy Mission aims to provide gainful employment to 20 lakh people in various sectors and job fields. The Knowledge Economy Mission aims to use digital technologies as an enabler to create new knowledge that can be used to solve contemporary and future social problems, foster sustainable development, and foster intellectual growth.

Digital Workforce Management System (DWMS)

Digital Workforce Management is a platform that connects all stakeholders in creating a knowledge-based ecosystem. The job aspirants can finetune their career preferences and enrich their profiles to enhance their chances of getting a dream

career by taking an AI-based Career Inclination Survey and Robotic Interview.

DWMS offers the following major features.

- Robotic Interview
- Resume building
- Skilling programs and internships
- Work Readiness Program
- Personality Development Training
- English Score assessment
- Psychometric test
- Career counselling

Thus, the scheduled orientation was designed to equip the job seekers to improve their workplace communication, interpersonal skills and overall personality development focussing on the English language. This training was intended for all the students who wish to enhance their language capabilities and professional skills.

Organized by Career Guidance & Placement Cell in association with IQAC	Male:26 Female: 68

Serial No.	Name of Resource Persons	Designation
1	Ligi.S	Divisional Manager,Regional Office, Canara Bank

At a glance to the awareness programme

Career guidance is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. If you are a fresh graduate or an entry-level professional, the responsibility of making a career choice can be overwhelming. It could be challenging to assess your skills and map them with available career options, also keeping in mind your interest areas. While searching for a perfect job, candidates come across many roadblocks. Career guidance counsellors help professionals to discover the right jobs on different platforms. They also help them write a stellar resume and prepare for probable interview questions that improve the

first impression and chances of employability of the candidate. They will guide the candidates on how to build a professional network for a successful career and professional life throughout. Last but not the least, the career guide will also help you learn salary negotiation skills. Hence, it is crucial to take professional career guidance. The College Principal, Dr.Shiny Mathews constituted the Career guidance & Placement cell for the academic year 2024-2025. Dr.Divya.S.Rajan, Assistant Professor, Department of Zoology was nominated as the Convenor of the cell and the others members are Ms.Jasmine Rose, Associate Professor of Department of Mathematics, Ms.Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany, Dr.Deepika V.S, Assistant Professor, Department of Economics.

of Botany
- ✚ Resource Person : Ligi.S Divisional Manager, Regional Office,
Canara Bank
- ✚ Vote of thanks : Archa.S.R, Career Ambassador

**Interaction with the resource person about the opportunities in
Banking sector**

Career Guidance is an all-inclusive developmental program crafted to guide individuals in the course of establishing their educational and professional choices. This Guidance helped to attain knowledge, skills, information and experience to identify justifiable career options available for the job seekers. The objective of an adviser is to help you achieve great heights both professionally and socially. Living in an era with numerous career options, it is reasonable to get confused. Even till today, awareness about career guidance is very low among the younger generation and the culture of going to a counsellor or a career expert is almost nonexistent in our country. There is nothing more succeeding than success. A single decision, whether right or wrong can have a great impact on your life. Discovering your perfect career cannot get easier than using a unique and scientific approach to career guidance. Every nation aims to build informed students that would contribute towards growth and development. The programme was conducted as an awareness programme by their representatives in the entire departments of the College giving an idea about the various job opportunities in the field of Banking Sector. Having a preplanned guidance for your career can make a lot of difference. Acting as a bridge between students and their achievements, career guidance helps in exploring the endless possibilities in various field of interest and how can one right decision help students in their long run.

SREE NARAYANA COLLEGE PUNALUR
CAREER GUIDANCE & PLACEMENT CELL

2024-2025

NAME OF THE PROGRAMME /ACTIVITY: CAREER GUIDANCE WORKSHOP BY AMRITA IAS ACADEMY

Date : 11/11/2024	Total participants/Beneficiaries: 96
Organized by Career Guidance & Placement Cell in association with IQAC	Male:13 Female:83

Serial No.	Name of Resource Person	Designation
1	Mr.George Kurian	Senior faculty, Amrita IAS Academy

A closure look on the workshop moments

Career guidance is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. It is one of the most effective tools for locating suitable career options under the guidance of experts and professionals. Surprisingly, the perfect career exams they promote are well-known and even claim to deliver the finest outcomes. A career guidance and counseling develop an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. Career exploration refers to the process of researching and learning

about different career options. It involves understanding the nature of various occupations, exploring different industries, and gathering information about job prospects, educational requirements, and career advancement opportunities. The College Principal, Dr. Shiny Mathews constituted the Career guidance & Placement cell for the academic year 2024-2025. Dr. Divya S. Rajan, Assistant Professor, Department of Zoology was nominated as the Convenor of the cell and the other members are Ms. Jasmine Rose, Associate Professor of Department of Mathematics, Ms. Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany, Dr. Deepika V. S, Assistant Professor, Department of Economics.

PROGRAMME SCHEDULE

-  Prayer : II DC Students
-  Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)
-  Presidential address : Prof.(Dr) Sulekha.B.T (Principal, S.N.College, Punalur)
-  Felicitation : Ms.Resmi.A, Assistant Professor, Department of Botany
-  Resource Person : Mr.George Kurian (Senior faculty, Amrita IAS Academy)
-  Vote of thanks : Aditya A

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. The Felicitation was rendered by Ms.Resmi.A, Assistant Professor, Department of Botany.The Career guidance talk was led by Mr.George Kurian (Senior faculty, Amrita IAS Academy).

Amrita IAS Academy - A Legacy of Excellence

Amrita IAS Academy is where excellence meets aspiration! Their academy is dedicated to providing students with top-notch education and guidance to conquer the Civil Services Examination.With a team of expert faculties and a comprehensive curriculum, they aim to empower students with the knowledge, skills, and confidence needed to ace this prestigious exam. At

Amrita IAS Academy, they believe in nurturing future leaders for a brighter tomorrow. With an illustrious legacy spanning 7 years, Amrita IAS Academy stands as a beacon of excellence in Kerala's educational landscape. Their unwavering commitment to quality education has yielded remarkable results, with an impressive track record of 227 successful candidates, the highest number of results achieved in Kerala, thus becoming the best IAS Academy in Kerala. Their legacy of success speaks volumes about our dedication to shaping the futures of those who aspire to serve the nation with pride.

The goal of career guidance is to empower individuals to take control of their career development, to identify and pursue career opportunities that align with their interests, skills, and values, and to navigate the challenges and opportunities that arise throughout their career journey. Through this programme the students are benefitted with various workshops, assessments, mentor talks and guidance to students. Career counselling is a long process that helps individuals understand their own self and work trends in order to make them take the right career decisions. This entire process is based on making students comfortable about their career paths, knowing their strengths, weaknesses, likes, dislikes, analyzing their abilities and enlightening them towards the right career path. Thereby helping them to fulfill their aspirations by setting up realistic goals

INTERACTION OF THE REPRESENTATIVES OF THE AMRITA IAS ACADEMY WITH THE STUDENTS

Every Student has a unique set of skills, strengths, and weaknesses and hence it's very important to take decision for every student. A psychometric test is mandatory to understand the students' underlying/existing skills and interests that assist them in making informed decisions about their future course of study. Career guidance cell of this College plays a crucial role in guiding the students to various openings suitable to their competency, economic resources and personal choices. Since the student intake is from different social, economic and academic backgrounds, the students require a well-planned and organized career counselling at the institutional level for their career progression. Career guidance cell facilitate students for goal settings, positive interaction, multiple intelligence, self-awareness, IQ, EQ, leadership qualities, inter personal and intra personal relationships. The cell organizes activities that motivate and encourage students for interaction, articulation and exploration. The program concluded with an interactive session of the students with the delegates. Adithya , a student of second year UG Zoology representative delivered vote of thanks. Career guidance holds immense importance as it results in professionals' financial, social, emotional, and professional well-being. In this age where ambitions are soaring, career queries are common. Hence, it is important for institutions to set up career guidance capabilities for professionals in all stages of career.

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. The Felicitation was rendered by Ms.Jasmine Rose.J, Associate Professor, Department of Mathematics together with the presence of Ms.Resmi.A, Assistant Professor, Department of Botany.The Career guidance talk was led by Mr.Jithin Madhu Centre Manager ,Skillspark, the finishing School(Affiliated with ASAP). Around 63 students had participated in the programme.

Their vision is to become a trend setter in providing the best in class professional training that carve ready to perform professionals for the Accounts & Finance industry. They assured that their in-house Research & Development team always ensure that our students get the right skills to fulfill what the industry demands. The Stake holders of Skillspark have more than 15 years of

experience in the Education field, especially in professional skill development field. Along with this hard-core experience, they embrace the possibilities of technology to impart the ideal skills to our students by the development of a Career Development club in our Campus. Career guidance is a formal way for people to receive advice on their career at different stages. Along with this advice, this process often involves formal programs that help people both plan and execute any decisions they make in their career. Professionals in career development often create generalized programs or custom programs for individuals to help each person through these changes. He suggested varied ways that how to opt the career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what are the efforts to be put in to make that dream true. He motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of. All the students were highly motivated and got to know about various opportunities after completing their graduation. It was a very informative day for the students. The seminar can help the students objectively to review their performance and actions and provide them with adjustments to make that can make them feel motivated. This might involve setting small goals to help build their confidence as they work towards achieving larger goals.

INTERACTION OF THE RESOURCE PERSON WITH THE STUDENTS

Highlights of the programme

The programme focused on from data analysis to decision-making processes, AI is reshaping the accounting and finance profession. To gain a deeper understanding of AI's impact on the profession, IMA engaged global experts in the field and accounting and finance leaders to study the applications of AI, as well as the challenges of integrating it with management accounting work.

Although AI cannot fully substitute human expertise, it will profoundly influence the professional trajectory of those in accounting and finance. This transformation spans from the CFO to entry-level staff, emphasizing technology proficiency, data analytics, critical thinking, and cross-functional collaboration. To navigate this evolving landscape, organizations must proactively embrace AI-induced changes by fostering human-machine collaboration, focusing on upskilling and reskilling team members, and creating a culture of ongoing learning to understand AI's strengths and weaknesses, steering toward its responsible and fruitful implementation. Akshaya, a student of final year delivered vote of thanks.

Futuristic perspectives

In today's rapidly changing world, artificial intelligence (AI) is not just a buzzword but a beacon of transformation across various sectors and industries. Accounting firms, traditionally perceived as bastions of meticulousness and conservatism, are now at the forefront of this revolution, harnessing AI to redefine their operations, service offerings, and client interactions. The integration of AI in accounting is not merely an enhancement; it's a radical reinvention that is shaping the future of the industry. It's a seismic shift that is redefining the realm of numbers and finance. Beyond task automation, this is about opening doors to new possibilities,

transforming the way accountants work, and reshaping the industry's future. At the heart of this transformation is the drive for efficiency. Accounting professionals use AI with data tools to analyse vast amounts of data with precision and speed, a task that once consumed significant human resources and time. This shift is not just about doing things faster; it's about *doing things better*. Imagine a world where mundane tasks like data entry, error checking, and compliance monitoring are handled swiftly and flawlessly by intelligent machines. This world is not a distant dream but a present reality in the accounting industry, thanks to AI. With its unparalleled efficiency, AI is liberating accountants from the shackles of routine tasks, allowing them to focus on more strategic, impactful work.

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. The Felicitation was rendered by Dr Deepika.V.S (Assistant Professor,Economics Department) .The Career guidance talk was led by Mr.Jithin Madhu Centre Manager ,Skillspark, the finishing School(Affiliated with ASAP). Around 92 students had participated in the programme.

Pre placement talk (PPT), an integral part of the campus recruitment process, serve as a crucial platform for interaction between students and potential employers. These interactive sessions provide students with valuable insights into companies, job roles, and career opportunities. Simultaneously, employers have the chance to showcase their organization's culture, values, and growth prospects. Pre-placement talk (PPT) are sessions conducted by companies or organisations as a part of the campus recruitment process. These talks provide an

opportunity for employers to interact with students and share information about their company, its values, work culture, job roles, career growth prospects, and other relevant details.

The primary objective of pre placement talks is to create awareness among students about the company and the opportunities it offers. It helps students make an informed decision about whether they would be interested in pursuing a career with the organisation. During the pre-placement talk, representatives from the SLBS Marklance group of Institutions delivered presentations aimed at capturing the attention and interest of students. The session should culminate in an open, interactive Q&A. Encourage students to ask questions and seek clarifications. This segment is crucial as it allows for personalised interactions and helps address specific queries or concerns of the students. Pre-placement talks are more than just a formality, they are a strategic tool in the campus recruitment process. They provide a unique opportunity for employers and students to engage, understand, and assess each other. As the job market continues to evolve, the significance of pre-placement talks in aligning the right talent with the right opportunity cannot be overstated. They are not just presentations; they are the foundational steps towards building a workforce that is informed, engaged, and aligned with the company's vision and goals.

INTERACTION OF THE RESOURCE PERSON WITH THE STUDENTS

Highlights of the programme

Pre-placement talks are a strategic tool for recruiters to connect with potential candidates and showcase their organizations. These interactive sessions offer a unique opportunity to engage with students, understand their aspirations, and address their queries. By effectively leveraging pre-placement talks, recruiters can build strong relationships with future talent and enhance their organization's reputation.

Futuristic perspectives

Pre-placement talks are informational sessions conducted by companies with educational institutions or student organizations to introduce themselves to potential candidates and provide insights into the company culture, job opportunities, and recruitment process. These talks serve as a bridge between the academic world and the corporate world, helping students make informed career decisions. Students gain valuable information about various roles and expectations in the industry. This knowledge helps them make informed career choices. Students also get a chance to interact with recruiters directly. Such interactions can clarify doubts and build confidence.

SREE NARAYANA COLLEGE PUNALUR
CAREER GUIDANCE & PLACEMENT CELL

2024-2025

**NAME OF THE PROGRAMME /ACTIVITY: “Emerging opportunities
and Pre-placement talk”**

Date : 03/02/2025	Total participants/Beneficiaries: 63
Organized by Career Guidance & Placement Cell in association with IQAC	Male:7 Female:56

Serial No.	Name of Resource Person	Designation
1	Mr Vignesh Nath	MSW Trainer of Amrita Group of Institutions

At a Glance to the Seminar prospects

Career Guidance is a counselling programme designed to help students to choose the right career path based on their educational and professional choices. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available. The Career Guidance & Placement Cell had been established in the college with a vision to encourage students to participate in competitive examinations, conducting placement drives and to set their career goals. The College Principal, Dr.Shiny Mathews constituted the Career guidance & Placement cell for the academic year 2024-2025. Dr.Divya.S.Rajan, Assistant Professor, Department of Zoology was nominated as the Convenor of the cell and the others members are Ms.Jasmine Rose, Associate Professor of Department of Mathematics, Ms.Ganga M

R, Assistant Professor, Department of Commerce , Dr.Deepika V.S, Assistant Professor, Department of Economics.

PROGRAMME SCHEDULE

- ✚ Prayer : III DC Students
- ✚ Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)
- ✚ Presidential address :Prof.(Dr) Sulekha.B.T (Principal, S.N.College, Punalur)
- ✚ Felicitation : Ms Jasmine Rose (Associate Professor & Head, Department of Maths)
- ✚ Resource Person : Mr Vignesh Nath (MSW Trainer of Amrita Group of Institutions)
- ✚ Vote of thanks : Ribeka Mathew

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. The Felicitation was rendered by Ms Jasmine Rose(Associate Professor & Head).The Career guidance talk was led by Mr Vignesh Nath (MSW Trainer of Amrita Group of Institutions).

Around 63 students had participated in the programme. Personality development refers to the process of enhancing and shaping one's *personality* traits and characteristics. It involves cultivating a set of behaviors, attitudes, and qualities that contribute to an individual's overall persona. Developing one's personality is a continuous journey of self-improvement and self-awareness.

Personality can be defined as the unique combination of thoughts, emotions, and behaviors that distinguishes an individual from others. It impacts how we understand and have interaction with the arena round us. Personality encompasses various aspects, such as our values, beliefs, interests, and social

skills. The development of personality is not solely determined by genetics but is also influenced by environmental factors, experiences, and social interactions. Personality development is of utmost importance as it plays a crucial role in various aspects of life. By focusing on enhancing our personality skills, we can unlock our full potential, achieve personal growth, and facilitate self-improvement. Through dedicated efforts and self-awareness, personality development can pave the way for success in different areas.

Developing our personality skills is essential for personal growth. It allows us to understand ourselves better, identify our strengths and weaknesses, and work towards self-improvement. By enhancing our personality traits, we can build better relationships, communicate effectively, and navigate challenging situations with confidence.

INTERACTION OF THE RESOURCE PERSON WITH THE STUDENTS

Highlights of the programme

- Personality development has a broad scope that extends to personal, professional, and social domains. It goes beyond mere self-improvement and encompasses the development of skills, attitudes, and behaviors that contribute to success and well-being.
- At a personal level, personality development empowers individuals to understand and harness their strengths, overcome weaknesses, and enhance their overall self-image. It involves cultivating qualities such as self-confidence, resilience, and emotional intelligence, which positively influence

personal relationships, mental health, and overall happiness.

- In the professional realm, personality development plays a pivotal role in career advancement and success. By developing effective communication skills, leadership qualities, and a positive attitude, individuals can excel in their chosen fields and make a meaningful impact. Personality development also encompasses adaptability, creativity, and problem-solving abilities, which are highly valued in today's dynamic and competitive work environments.
- When it comes to the scope of personality development, it is important to note that it is a lifelong process. It is not bound by age, gender, or background but encompasses continuous learning and growth throughout one's life journey.

Futuristic perspectives

Personality development offers a range of benefits that can positively impact various aspects of our lives. By investing in personal growth and actively working on improving our personality, we open doors to enhanced relationships, increased confidence, and overall well-being.

- Enhanced Relationships
- Increased Confidence
- Improved Communication Skills
- Personal Growth and Self-Discovery
- Enhanced Problem-Solving Skills

Overall, personality development offers numerous benefits that contribute to personal and professional success. By investing in our personal growth, we can cultivate meaningful and fulfilling relationships, boost our confidence, improve our communication skills, foster self-discovery, and enhance our problem-solving abilities. It is a powerful journey of self-improvement that paves the way for a more fulfilling and prosperous life.

Prof. Vinayak Salunkhe , Passionate Academician, Environmentalist, Career Coach , founder and CEO of Global Youth for Environment and Sustainability-GY4ES.ORG.

Interaction with the Resource person

Highlights of the Programme

Resource person explained that an area with higher species abundance has a more stable environment compared to an area with lower species abundance. We can further claim the necessity of biodiversity by considering our degree of dependency on the environment. We depend directly on various species of plants for our various needs. Similarly, we depend on various species of animals and microbes for different reasons. Biodiversity is being lost due to the loss of habitat, over-exploitation of resources, climatic changes, pollution, invasive exotic species,

diseases, hunting, etc. Since it provides us with several economic and ethical benefits and adds aesthetic value, it is very important to conserve biodiversity.

Strategies for Biodiversity Conservation

- ✚ All the varieties of food, timber plants, livestock, microbes and agricultural animals should be conserved.
- ✚ All the economically important organisms should be identified and conserved.
- ✚ Unique ecosystems should be preserved first.
- ✚ The resources should be utilized efficiently.
- ✚ Poaching and hunting of wild animals should be prevented.
- ✚ The reserves and protected areas should be developed carefully.
- ✚ The levels of pollutants should be reduced in the environment.
- ✚ Deforestation should be strictly prohibited.
- ✚ Environmental laws should be followed strictly.
- ✚ The useful and endangered species of plants and animals should be conserved in their nature as well as artificial habitats.
- ✚ Public awareness should be created regarding biodiversity conservation and its importance.

BROCHURE OF THE PROGRAMME

PROGRAMME SCHEDULE

 Prayer : III DC Students

 Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)

 Presidential address :Prof.(Dr) Sulekha.B.T (Principal , S.N.College, Punalur)

 Resource Person : Sandhya S Nair,Co-ordinator, KSCSA & Vipinraj PV, Educator

 Vote of thanks : Ms. Shilpa J S

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. Presidential address was delivered by Prof.(Dr) Sulekha.B.T (Principal). The talk was led by Sandhya S Nair, Co-ordinator, KSCSA & Vipinraj PV, Educator.

The session highlighted the fundamentals of civil services, the unique challenges faced by UPSC aspirants, and a growing trend: a shift towards programmes that align more closely with modern governance and leadership aspirations. It reminded students that, Civil service in India forms the backbone of public administration, the competition is intense, demanding not only knowledge but also strategic preparation and unwavering perseverance. But beyond the romanticised perception of civil services lies a complex and often gruelling reality.

**Sandhya S Nair, Co-ordinator of KSCSA
addressing the gathering**

Interaction with the Vipinraj P V, Educator

Civil service exam preparation needs some pre requisites which would ultimately help the students to speed up their preparation. Increasing of reading skills, ability to communicate effectively, simplified presentation of matters for deep and quick understanding are main attraction of this program. Besides familiarizing the student with the civil service exams, the program also helps them prepare for the various entrance exams conducted by reputed colleges or institutions. During the orientation program, the students have been provided with information about the exam pattern, syllabus, and marking scheme of the UPSC exam. It was followed by an interactive session, answering the queries from the students. 32 students from various departments have attended the session. The career counselling and guidance for competitive examinations offered by the department has helped students set realistic expectations by helping them map their interest with the right career path to some extent, as a greater number of students are now opting to go for civil service. This initiative is part of commitment to empower students with the tools and knowledge needed to make informed career decisions and contribute meaningfully to the nation. The event concluded with a vote of thanks by Ms Shilpa J S. This initiative by Career Guidance and Placement Cell reflects the college's commitment in providing students with opportunities for growth and development, empowering them to pursue their dreams and make a meaningful impact in society.

BROCHURE OF THE PROGRAMME

PROGRAMME SCHEDULE

✚ Prayer : III DC Students

✚ Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)

✚ Presidential address :Prof.(Dr) Sulekha.B.T (Principal , S.N.College, Punalur)

✚ Resource Person :Campus placement recruitment team

✚ Vote of thanks :Ms Akshaya S V

The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. Presidential address was delivered by Prof.(Dr) Sulekha.B.T (Principal). Campus Placements/ Campus Recruitment drives are conducted in various educational institutes for providing job opportunities to the students who are pursuing their particular academic courses. Campus Placements offer a student a wonderful opportunity to get placed during the course of his academic pursuits, and provide him the comforts of a safe and secure future. Keeping in mind the importance of the campus placement programs, it is vital for a student to prepare adequately for these programs and make sure that they put their best foot forward.

A Pre-placement talk by the Recruitment team

Preparation sessions equipped students with career guidance, resume building, and interview skills. Industry engagement initiatives like career fairs and employer presentations facilitated connections with potential employers. The placement cell provided personalized assistance, including resume review and interview scheduling, ensuring a smooth process. About 10 candidates were shortlisted.

BROCHURE OF THE PROGRAMME

To illuminate the young minds, empowering futures! A bright future starts here with Sree Narayana College Punalur .Stay tuned to the Campus for an exciting opportunity to shape the career path of the dynamic youth. The programme commenced with a prayer. Welcome address was delivered by Dr.Divya.S.Rajan, the Convenor of Career guidance & placement Cell. Presidential address was delivered by Prof.(Dr) Sulekha.B.T (Principal). Placement drive was conducted on 19-03-2025 in SN College Punalur for Apollo tyres, HDFC, POPULAR and INFOTECH. After Orientation, group discussion and Interview four candidates got placement in Apollo tyres. Forty candidates were short listed for HDFC, POPULAR and INFOTECH. Campus Placement Drive marked a significant milestone in bridging the gap between academia and industry. This report outlines the strategies, outcomes, and recommendations derived from the initiative. The placement drive aimed to attract distinguished companies, facilitate employment for graduating students, foster industry relationships, and gather feedback for process enhancement. Participation of four prominent companies highlighted the collaborative efforts between academia and industry. The drive yielded commendable outcomes, with 04 students selected and 40 shortlisted across various companies. Campus Placement Drive 2024-25 exemplifies the Career Guidance & Placement Cell's commitment to student success and industry collaboration. Strategic planning, industry engagement, and continuous improvement efforts ensured the drive's success, paving the way for future advancements in recruitment endeavours.

PROGRAMME SCHEDULE

✚ Prayer : III DC Students

✚ Welcome address : Dr.Divya.S.Rajan (Assistant Professor ,Department of Zoology)

✚ Presidential address :Prof.(Dr) Sulekha.B.T (Principal , S.N.College, Punalur)

✚ Resource Person :Pre- placement talk by HR team

A Pre-placement talk by the Recruitment team

The main objective of the placement process is to identify the talented individuals. The criteria adopted for selection by most companies are variable in nature and selection process is as follows:

- Pre – Placement Talk
- Verification of Educational Qualification
- Written Test
- Group Discussion
- Technical Interview
- HR Interview
- Post – Placement Talk

The initial screening / written tests are conducted by us as per client Standards & requirements, through Employment Eligibility Test & the candidates with top results are short listed / lined up for final interview and selection. Based on the professional / location requirement of the Hiring Company along with the suitable Educational Institutions are short listed and sent for approval for conducting the Campus Drive at convenient dates for selection of the suitable candidate by them.
