

SREE NARAYANA COLLEGE PUNALUR

Student Satisfaction Survey Report 2018-19

Feedback from students and parents are collected every year for the assessment of the institution and faculty. Students 'opinion on various criteria are measured in a five point scale. A random sample of students from all departments of the college is selected with a proportional representation to each programme. The data collected has been analysed, a report is prepared and discussed at the council meetings of the college.

When the feedback from students for the evaluation of the college taken in 2019 was analysed, it was found that the overall experience of students in the college is excellent. 90% of students agreed that the discipline enforcement in the campus is excellent. The remaining 10% marked the same parameter as good. The majority rated the library facility as good, but 30% opined that the library facilities should be improved. All students agreed that they get proper help in career guidance. Sports promotion through the Department of Physical Education is marked as excellent. Students are fully satisfied with the functioning of Parent Teacher Association and all of them agreed that they get enough assistance from the college office. The majority rated the canteen facility and the facilities like toilet and drinking water as above average. The activities of the college union were assessed as excellent.
