REPORT OF CSIR-UGC NET

2020-21

This academic year twenty nine students registered out of which twenty three were passed out students and the classes were accompanied by the faculties of Mathematics Department. Following the country wide lockdown of education institutions due to Covid-19 classes were conducted on-line.

As the NET exam was delayed, students were able to work out more previous year question papers which helped in increasing their confidence level.

Classes were taken on topics namely ordinary and Partial Differential Equations, Algebra, Analysis, Optimization, Complex and Topology. The classes included discussions through Google meet. Previous year question paper were also discussed during online classes and the students were assigned to collect question and answers of general paper and to discuss during online classes which was very effective.

REPORT OF CSIR-UGC NET

2018-19

The post graduate Department of Mathematics, Sree Narayana College, Punalur conducted coaching classes for the CSIR – UGC NET in Mathematics which is an essential qualification for the faculty position in any University or Colleges. These classes are intended to ensure that students are adequately prepared to face multiple choice questions within the time limits set by the board.

This year eight students enrolled for the class of which seven were regular students of MSc Programme and one from the previous year. The classes started on 23rd June 2018 and Head of the Department, Dr S Baiju addressed the session and talked about the relevance and need of qualifying the CSIR – NET examination. He also discussed about the syllabus and ideas for preparation of General Paper and enlightened the students with numerous job opportunities in the field of teaching and researches who are awarded with CSIR-UGC Net. He also shared a few experience he had during the preparation for NET examination. He advised the students to utilize this opportunity well. Later Dr Bijo S Anand, Assistant Professor, Department of Mathematics, S N College, Punalur engaged the class. The class were conducted regularly by the faculties of Department of Mathematics, S N College, Punalur.

Coaching classes were organized on holidays, Saturdays and Sundays depending on the convenience of the students as well as faculty members. Classes were taken on topics namely ordinary and Partial Differential Equations, Algebra, Analysis and Topology. The classes included direct lectures, tutorials, assignments followed by discussions and one to one interactive sessions were encouraged to study in groups to help one another.

Students were also given solved previous years question papers and hard copies of study materials. More than hundred hours of contact classes were held for the coaching.

CSIR-UGC NET COACHING
DEPARTMENT OF MATHEMATICS
2016-17

From
Head of the Department
Department of Mathematics
S N College, Punalur

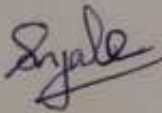

To
The Principal
S N College
Punalur

Sir

The department decided to conduct CSIR – UGC NET coaching classes for students doing post graduate and those who have passed the PG course. Kindly give permission for the same.

Thanking you

Yours faithfully

Principal
Sree Narayana College
Punalur

16/07/2016

NOTICE

Department of Mathematics, Sree Narayana College, Punalur is conducting coaching classes for CSIR-UGC NET Examination for the year 2016-17..... The coaching is offered free of cost for students who are at present studying PG course and those who completed PG course. Classes will be handled by experts.

Class will commence from ...15th July 2016..... Interested students may apply for registration latest by 2nd week of July.... Application forms are available in the department during working hours.

NET Class details

Real Analysis	Day 1: Elementary set theory, finite, countable and uncountable sets, Real number system as a complete ordered field, Archimedean property, supremum, infimum.
	Day 2: Sequences and series, convergence, limsup, liminf, Bolzano Weierstrass theorem, Heine Borel theorem.
	Day 3: Continuity, uniform continuity, differentiability, mean value theorem.
	Day 4: Sequences and series of functions, uniform convergence.
	Day 5: Riemann integral, Monotonic functions, types of discontinuity, functions of bounded variation
Complex Analysis	Day 6: power series, transcendental functions such as exponential, trigonometric and hyperbolic functions. Analytic functions, Cauchy-Riemann equations.
	Day 7: Contour integral, Cauchy's theorem, Cauchy's integral formula, Liouville's theorem, Maximum modulus principle, Schwarz lemma, Open mapping theorem.
	Day 8: Taylor series, Laurent series, calculus of residues. Conformal mappings, Mobius transformations
Linear Algebra	Day 9: Vector spaces, subspaces, linear dependence, basis, dimension
	Day 10: Algebra of linear transformations, Algebra of matrices, rank and determinant of matrices
	Day 11: Linear equations, Eigenvalues and eigenvectors, Cayley-Hamilton theorem.
	Day 12: Matrix representation of linear transformations, Jordan forms.
	Day 13: Inner product spaces, orthonormal basis.
Algebra	Day 14: Fundamental theorem of arithmetic, divisibility in \mathbb{Z} , congruences, Chinese Remainder Theorem, Euler's ϕ -function, primitive roots.
	Day 15: Groups, subgroups, normal subgroups, quotient groups, homomorphisms, Cyclic groups, permutation groups, Cayley's theorem, class equations, Sylow theorems.
	Day 16: Rings, ideals, prime and maximal ideals, quotient rings, unique factorization domain principal ideal domain, Euclidean domain. Polynomial rings and irreducibility criteria. Fields, finite fields, field extensions
Differential Equations	Day 17: Existence and uniqueness of solutions of initial value problems for first order ordinary differential equations, singular solutions of first order ODEs, system of first order ODEs.
	Day 18: General theory of homogenous and non-homogeneous linear ODEs, variation of parameters, Sturm-Liouville boundary value problem, Green's function.

Day 19:	Lagrange and Charpit methods for solving first order PDEs, Cauchy problem for first order PDEs. Classification of second order PDEs
Day 20:	General solution of higher order PDEs with constant coefficients, Method of separation of variables for Laplace, Heat and Wave equations.

A handwritten signature in green ink, appearing to be "S. Narayana".

REPORT OF CSIR-UGC NET

2016-17

The post graduate Department of Mathematics, Sree Narayana College, Punalur conducted coaching classes for the CSIR – UGC NET in Mathematics which is an essential qualification for the faculty position in any University or Colleges. These classes are intended to ensure that students are adequately prepared to face multiple choice questions within the time limits set by the board.

This year students enrolled for the class is thirteen. The classes started on 16th July 2016 and Head of the Department, Dr K Sujathakumari addressed the session and talked about the relevance and need of qualifying the CSIR – NET examination. Dr Baiju S discussed about the syllabus and ideas for preparation of General Paper and enlightened the students with numerous job opportunities in the field of teaching and researches who are awarded with CSIR-UGC Net. He also shared a few experience he had during the preparation for NET examination. He advised the students to utilize this opportunity well. Later Jasmin Rose J, Assistant Professor, Department of Mathematics, S N College, Punalur engaged the class. The class were conducted regularly by the faculties of Department of Mathematics, S N College, Punalur.

Coaching classes were organized on holidays, Saturdays and Sundays depending on the convenience of the students as well as faculty members. Classes were taken on topics namely ordinary and Partial Differential Equations, Algebra, Analysis and Topology. The classes included direct lectures, tutorials, assignments followed by discussions and one to one interactive sessions were encouraged to study in groups to help one another.

Students were also given solved previous years question papers and hard copies of study materials. More than hundred hours of contact classes were held for the coaching.

REPORT OF CSIR-UGC NET 2020-21

Annual report for 2020-2021

This academic year twenty two students registered and the classes were accompanied by the faculties of Physics Department. Following the country wide lockdown of education institutions due to Covid-19 classes were conducted online.

As the NET exam was delayed, students were able to work out more previous year question papers which helped in increasing their confidence level. Classes were taken on topics namely Classical Mechanics, Electronics, Mathematical Physics.

The classes included discussions through Google meet. Previous year question paper were also discussed during online classes and the students were assigned to collect question and answers of general paper and to discuss during online classes which was very effective.

REPORT OF CSIR-UGC NET 2019-20

Annual report for 2019-2020

The National Eligibility Test has been considered as one of the toughest exams, at the same time mandatory for the Assistant Professor and Junior Research Fellowship award. In order to equip the PG students to appear for the exam, with the support from the Principal, S.N. College, Punalur and the faculties of Department of Physics, NET/JRF coaching classes have been conducted regularly.

For the 2019-2020 batch, 7 PG students from the Department of Physics have been joined for the coaching and the classes were commenced on 26th September 2019. A special speech was delivered by Dr. Ratheesh, Asst. Professor, Department of Physics to motivate and to encourage the students and to give proper guidelines for appearing such a competitive exams. After that lectures on different topics including Quantum mechanics, Classical Mechanics, Electronics were given by Dr. Ratheesh, Ms. Lekshmi R.S, Dr. Jyothi S Nair, Assistant Professors of Department of Physics. Such classes were conducted on most of the Saturdays and few Sundays. Study materials were provided and previous Question Papers were solved during each classes. Once in a month, mock tests were conducted. Almost all topics including Quantum mechanics, Classical Mechanics, Electronics etc. in the prescribed syllabus for NET/JRF exam were covered. All the classes were engaged by Dr. Ratheesh, Ms. Lekshmi R.S, Dr. Jyothi S Nair, from Department of Physics, S.N College, Punalur.

The coaching classes have been conducted for about 10 days. The students attended the classes regularly and maintained the attendance of above 90% every day. The hard copies of study materials provided, the attendance sheet, model question papers etc. were filed for future references.

REPORT OF CSIR-UGC NET 2018-19

Annual report for 2018-2019

The National Eligibility Test has been considered as one of the toughest exams, at the same time mandatory for the Assistant Professor and Junior Research Fellowship award. In order to equip the PG students to appear for the exam, with the support from the Principal, S.N. College, Punalur and the faculties of Department of Physics, NET/JRF coaching classes have been conducted regularly.

For the 2018-2019 batch, 9 PG students from the Department of Physics have been joined for the coaching and the classes were commenced on 23rd June 2018. A special speech was delivered by Mr. Praveen, Asst. Professor, Department of Physics to motivate and to encourage the students and to give proper guidelines for appearing such a competitive exams. After that lectures on different topics including Quantum mechanics, Classical Mechanics, Electronics were given by Mr. Praveen, Ms. Lekshmi R.S, Ms. Krishnasree, Assistant Professors of Department of Physics. Such classes were conducted on most of the Saturdays and few Sundays. Study materials were provided and previous Question Papers were solved during each classes. Once in a month, mock tests were conducted. Almost all topics including Quantum mechanics, Classical Mechanics, Electronics etc. in the prescribed syllabus for NET/JRF exam were covered. All the classes were engaged by Mr. Praveen, Ms. Lekshmi R.S, Ms. Krishnasree, from Department of Physics, S.N College, Punalur.

The coaching classes have been conducted for about 20 days. The students attended the classes regularly and maintained the attendance of above 90% every day. The hard copies of study materials provided, the attendance sheet, model question papers etc. were filed for future references.

REPORT OF CSIR-UGC NET

2017-18

The post graduate Department of Physics, SreeNarayana College, Punalur conducted coaching classes for the CSIR – UGC NET in Physics which is an essential qualification for the faculty position in any University or Colleges. These classes are intended to ensure that students are adequately prepared to face multiple choice questions within the time limits set by the board.

This year six students enrolled for the class of which all were regular students of MSc Programme. The classes started on 5th August 2017 and Head of the Department, Mr Praveen addressed the session and talked about the relevance and need of qualifying the CSIR – NET examination. Ms Lakshmi R S discussed about the syllabus and ideas for preparation of General Paper and enlightened the students with numerous job opportunities in the field of teaching and researches who are awarded with CSIR-UGC Net. She also shared a few experience she had during the preparation for NET examination. She advised the students to utilize this opportunity well. Later Ms Krishnasree, Assistant Professor, Department of Physics, S N College, Punalur engaged the class. The class were conducted regularly by the faculties of Department of Physics, S N College, Punalur.

Coaching classes were organized on holidays, Saturdays and Sundays depending on the convenience of the students as well as faculty members. Classes were taken on topics namely Classical Mechanics, Nuclear and Particle Physics, Quantum Mechanics. The classes included direct lectures, tutorials, assignments followed by discussions and one to one interactive sessions were encouraged to study in groups to help one another.

Students were also given solved previous years question papers and hard copies of study materials.

GUIDANCE FOR COMPETITIVE EXAMINATIONS

UGC/ CSIR -NATIONAL ELIGIBILITY TEST COACHING- REPORT 2020-21

The PG Department of Chemistry had provided online NET- coaching classes for the PG students. About 13 aspirant students got opportunity to attend the class and they were benefitted by this online training program during the year 2020-21. The classes were done through online platforms of google-meet and classroom sections.

Classes were divided into two sections- for the General Paper –I, which was mainly based on the reasoning aptitude, General awareness classes. Paper –II, detailed the subject, Chemistry. Various branches including Organic, Physical and Inorganic classes were taken by different faculty members of the Department. Discussion sessions were also organized for doubt clearance. The Department offers NET coaching during the last five years and a number of students were enriched by this program.

JRF- NET COACHING

ANNUAL REPORT 2019-20

To make students aware of the job opportunities and the various research fields, pursuing them to do research works, the PG Department of Chemistry started NET-JRF coaching for the meritorious and interested students. Third semester PG students were selected. 11 students showed interest in this programme.

Classes were carried out the faculties of the department. Considering different areas, powerpoint presentations were also conducted. The classes were conducted on holidays as well as morning and evening sessions. Teachers had provided studying materials and reference textbooks according to the CSIR syllabus. Revisions and examinations were conducted periodically to check their progress. Previous year question papers were also worked out.

Periodic evaluation of the students was conducted. Weaker areas were identified and they were given most priority while taking the classes. Feedback was done to improve the sessions.

P.G. DEPARTMENT OF CHEMISTRY

JRF- NET COACHING

ANNUAL REPORT 2018-19

In order to make the students capable of achieving CSIR- JRF/ NET, P.G. Department of Chemistry arranged a JRF- NET coaching class for the M.Sc. Chemistry students. Second Semester P.G. students were given classes for appearing the CSIR JRF-NET examinations. 10 students showed interest for attending the classes. The classes were taken by the faculties of the department.

The classes commenced on 23rd June 2019. The Head of the Department addressed the class and gave a motivational speech. The class was then engaged by Lt. Dr. V. Arun.

Coaching classes was taken on holidays, Saturday and Sunday depending on the availability of faculties and the students. About hundred classes were conducted during the academic year 2018-19. Teachers had provided studying materials and reference textbooks according to the CSIR syllabus. Revisions and examinations were conducted periodically to check their progress. Previous year question papers were also worked out.

Students were also given guidance to update their knowledge about the recent developments in the field of Chemistry. Feedbacks were collected for understanding and improving the quality of the coaching.

JRF- NET COACHING

ANNUAL REPORT 2017-18

The JRF-NET coaching classes of the Department of chemistry for the academic year 2017-18 started from 16th August 2017 onwards. Third semester M.Sc students were selected for the classes. The selection was done according to merit and the interest showed by the students. 8 students were selected for the coaching.

The classes started by the inaugural session by Lt. Dr. Arun V. Sir gave a brief description of the nature of the classes and also the basic instructions regarding coaching. Students were given classes on different areas of chemistry including Inorganic, physical and organic chemistry. Faculties of the department engaged in taking classes. Classes were arranged on morning as well as evening sessions on working and holidays.

Students were evaluated periodically and they were given mock tests. Evaluation was done at every week and the weaker sessions were noted. New areas of chemistry and recent technical knowledge were updated. Feedback sessions are also done.

P.G. DEPARTMENT OF CHEMISTRY

JRF- NET COACHING

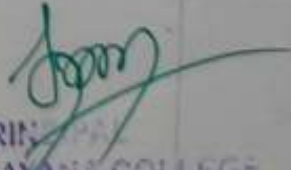

ANNUAL REPORT 2016-17

The PG Department of chemistry conducted JRF-NET coaching classes for the M.Sc students of the department. Meritorious and interested students of third semester M.Sc classes were selected for the coaching. Students showed their interest in attending the classes.

The classes started by 10th August 2016. The classes were carried out by the faculties of the Department. Head of the Department, Dr. Arun V addressed the students and delivered the motivation speech. The classes were arranged on Saturdays as well as after the regular sessions.

The progress of the students was evaluated periodically. Question papers and answer keys were provided. They were given class test and mock tests also. Periodic evaluation of the students was conducted and weak areas were noted. Revisions and workout of previous year question papers were also done. They were also given an opportunity to discuss the recent developments of chemistry and the job availability. Feedback was also done.

SREE NARAYANA COLLEGE, PUNALUR

Coaching Classes for Entry into Service

Report 2020-2021

The Committee for PSC Coaching Classes, Sree Narayana college, Punalur offers an opportunity for the final year degree students to crack competitive examinations at the state and national levels. The classes always motivate the students and help them to identify their personal strengths and give them an opportunity to excel.

The effort has been continuing for years successfully. In the academic year 2020-2021, as the entire system was affected by the Covid-19 pandemic, the coaching classes could be started only on 6 February 2021. Six classes were conducted during the academic year, 16 students have the opportunity to attend the classes.

Faculty of various departments conducted classes and mock tests and mock interviews helped students to improve their soft skills. The classes offered the students a place for encouragement and development.

Coaching Classes for competitive Examinations

Report 2019-2020

Coaching classes for competitive examinations help students to improve their knowledge and skill in cracking the competitive exams. It helps the students to improve the technique of learning. The classes empowered the students to excel in their performance.

Seventeen classes were conducted for the students during the academic year 2019-2020. The classes were started on 7 September 2019. Nayana Joylal (English), Dr. Baiju S (mathematics), Sywaroopjith S (General knowledge), Dr. Deepthi P R (history) have handled the classes.

Seventeen students have attended the coaching classes. The classes helped the students to boost their confidence and to build effective communication skills.

PSC COACHING CLASS
REPORT: 2018-2019

Job is an important factor and without work life is impossible. With job we can do everything, either fulfill our desires or family needs but the important one is we eventually attain confidence, self-respect & social status which makes us feel the part of society. Ultimately, job which helps to improve the general outlook of a person.

Regular classes in schools and colleges are not adequate to and prepare them to face competitive examinations and getting satisfactory jobs for students. This is why, coaching classes are held to compensate for it.

The objective of the programme is to provide coaching of good quality for the candidates to enable them to appear in competitive examinations and succeed in obtaining an appropriate job in Public/Private Sector. On the basis of this we decided to conduct coaching classes for PSC examinations for our students. The programme was started on 07-07-2018, was inaugurated by respected Principal by enlightening the traditional lamp. A total of fourteen classes were conducted in different disciplines. Adequate study materials and question papers were supplied.

Coaching Classes for Competitive Examination

Report 2017-2018

P.Sc. coaching classes were conducted for guiding the students to reach better positions in career and life. The coaching classes provided proper guidance and confidence to students. Twenty six students have got opportunity to attend the class during the academic year 2017-2018. Nayana Joylal, Sreemurugan A, Dr. Jasmine S Anand, Shibu T. and Dr. Deepa J P have taken classes. Classes were started on 5 august 2017 and lasted up to 24 February 2018.

Question paper discussion and model tests helped the students to improve their skills. English classes helped students to improve their communication skills. These coaching classes enabled students to attend various examinations with confidence. A proper routine was maintained by the students as it is created by the coaching classes.

SREE NARAYANA COLLEGE, PUNALUR

Coaching Classes for Competitive Examinations

Report 2016-2017

The coaching classes for competitive exams offered by Sree Narayana College, Punalur helps the students to crack different exams of Kerala Public Service Commission. The study material is designed based on the exam pattern and syllabus of the degree level examinations of Kerala Public Service Commission. The Committee for PSC Coaching Classes provides students the proper guidance to build their future and career.

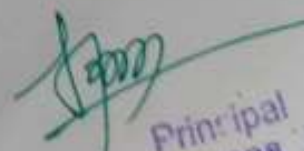

PSC coaching classes were conducted effectively during the academic year 2016-2017. Classes were started on 2 July 2016 and finished successfully on 19 November 2016. Sixteen Saturdays were included for conducting classes. Eighteen students have attended the classes. Various faculty members of the college have spent their time on Saturdays to take classes. Nayana Joylal, Sreemurukan A, AthiraShaji, Shibu. T and Dr.Arun S Prasad have conducted classes.

Model question papers were also discussed in the classes. The discussions on previous question papers enabled students to understand the question pattern of PSC examinations of Kerala Public Service Commission.

CAREER GUIDANCE CELL

Report of Activities (2020-2021)

The Career Guidance cell had been established in the college with a vision to encourage students to participate in competitive examinations and to set their career goals. The Principal Dr. T. Pradeep constituted career guidance cell for the academic year 2020-2021. Ms.Dancy Surendran, Assistant Professor, Department of Chemistry was nominated as the convenor of the cell Ms.Jasmine Rose, Associate Professor of Department of Mathematics, Ms.Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany as the members of the cell. The activities of the cell during the academic year 2020-21 started off with a formal meeting of the faculty members of career guidance cell.

Floodlight to the path of Civil Service

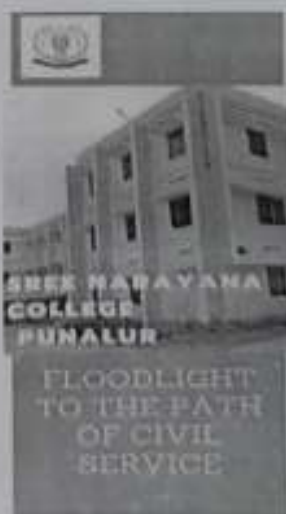

A career guidance programme for civil service aspirants 'Floodlight to the path of Civil Service' was jointly organised by Career guidance Cell and the Department of Physics in association with Vedhik IAS academy on 17/02/2021 at College Seminar Hall. First year students that were admitted during the academic year 2020-21 participated in the program. Mr. Simon Tharakan from the academy led this section.

CAREER GUIDANCE CELL.

Report of Activities (2019-2020)

The Career Guidance Cell, Sree Narayana College Punalur had been constituted for helping the students in their career planning. The Principal Dr. T. Pradeep constituted the career guidance cell for the academic year 2019-2020. Dancy Surendran, Assistant Professor, Department of Chemistry was nominated as the convener of the cell and Ms. Jasmine Rose, Associate Professor of Department of Mathematics, Ms. Ganga M R, Assistant Professor, Department of Commerce and Ms. Resmi A, Assistant Professor, Department of Botany as the members of the cell. The activities of the cell during the academic year 2019-20 started off with a formal meeting of the faculty members of career guidance cell.

Gate way to Banking Professional

An orientation class to Gate way to Banking Professional was arranged on 13th January 2020 at College Auditorium from 2 pm to 3.30 pm. The program was organized in collaboration with IES, Kollam. The resource person interacted with the students. It was a good programme and the participants felt it fruitful.

CAREER GUIDANCE CELL

Report of Activities (2018-2019)

Career Guidance cell of Sree Narayana College Punalur functions to help students in their career planning and to give training and guidance to students on career related matters. The Principal Dr. T. Sasidharan constitute career guidance cell for the academic year 2018-2019. Dancy Surendran, Assistant Professor, Department of Chemistry was nominated as the convener of the cell and Ms.Jasmin Rose, Assistant Professor, Department of Mathematics and Gayathri Salim Assistant Professor, Department of English, Ms.Ganga.M.R, Assistant Profesor, Department of Commerce as the members of the cell.

The activities of the cell during the academic year 2018-19 started off with a formal meeting of the faculty members of career guidance cell. The faculties had put forward their views on future activities for the smooth functioning of the cell.

First programme was held on 12th September 2018. An awareness class by a faculty member of Triumphant Institute of Management Education Pvt. Ltd. Kollam for the final year B.Sc students and also had given pre-recruitment training. They had conducted an aptitude test for students. The programme was being scheduled in two sections. The morning section was conducted for the students from the science stream and the evening section for the commerce and arts students.

The second programme was held on 1st December 2018. It was a motivational talk by Mrs Jalaja Madan Mohan, Head, Technical Coordination and Public Awareness Section of Indira Gandhi Centre for Atomic Research (IGCAR) at Shastri Bahavan Chennai. She had created a healthy interaction with students and succeeded in inculcating in students about the opportunities in Atomic Research area. The PG students of Department of Chemistry and Department of Physics were the beneficiaries for the section.

Seminar on "Educational and Occupational Exploration"

Report

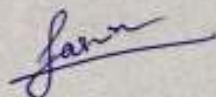

Student community faces numerous challenges, not the least of which is learning how to manage time, finances, and personal commitments. While developing and understanding their own unique strengths and skills, students must choose appropriate careful career choices. These challenges, combined with those of everyday living, present an opportunity to grow from important life experiences, renew one's career commitments, and oftentimes, manage an exciting career changes.

In view of above arguments a seminar on "Educational and Occupational Exploration" was conducted by the Career Guidance and Placement Cell, Sree Narayana College, Punalur on 01/07/2016 supported by the University Grants Commission and held in the Seminar hall of S N College, Punalur.

Mr. Ajay kumar kurup, all India trainee, J C I certificate owner, LIC reputed officer was the key resource person. Realizing and recognizing one's own power and strength was the key point for discussion. He stressed about removing the sense of perception and illusion and think positive and straight to achieve the aim we look forward to. So many activities relating to demonstrate the miracles of team work and leadership were done. The participatory mode of teaching and learning make the seminar very effective.

Report

Career Guidance and Placement Cell

Civil Service for "Life Skill Development

23/09/2016

A program was organized for identify, development and improvement of the inherent skill of the student of our campus. The program began with a welcome talk by Jeena Alex, a student volunteer followed by presidential and introductory address by the Dr. G. Jayasenan, Principal of our College. Then principal hand-over his duty to our chief guest Prof. R. Vijayan. He was an eminent personality who was the former Principal and the head of Political Science, University College, Thiruvananthapuram. He is the Chairman of Civil Service Academy, and presently handling classes for Civil Service Examinations in and around Thiruvananthapuram.

Our Chief Guest gives an introduction on the various aspects he is going to cover on the talk. He reminded the students about the need of utilizing everything around us for the fulfillment of our needs. According to him each and every students must have a desire and a determination for the attainment for their dreams. According to him the examination is quiet easy, how can each fulfil the glory of Civil Service by being optimistic, managing time and a good observer and listener of the things around them. After his fruitful talk, he provided opportunities for the students to overcome the small doubts they come across during the talk.

The students were given an opportunity for expressing the thanks for our chief guest for the valuable talk. The program came to an ending by the vote of thanks by Dr. Deepa J. P., member of Career guidance and Placement Cell.

Report

Career Guidance and Placement

Career Development Orientation Programme

The two days seminar "Career Development" which was scheduled on 1-11-2016 and 2-11-2016 mainly for first and final year students of the college. An inaugural session was held on the first day, in which our Principal Dr. G. Jayasenan presided. Sri. M.A. Raja Gopal, Municipal Chairman, Punalur Municipality, was the guest of honor and delivered the two days seminar. Sri. S. Sasidharan, Additional Sub Inspector, Punalur, delivered the felicitation speech.

Adv. S. Jayasoorya, Chairman Winworld Foundation, was the key resource person. The Director of Vias Civil Service academy was the key resource person. National trainer's trainer and Educational and family Counsellor, Punalur, was the resource person. The seminar was held with the experience among the students through various activities. The seminar was scheduled for the first year degree students in all respects. It was a turn an eye-opening for their career development and setting a goal.

Final year students gathered for the second day. The seminar was held with the experience sharing and activity oriented methodology of the seminar. It was a good spirit among the students.

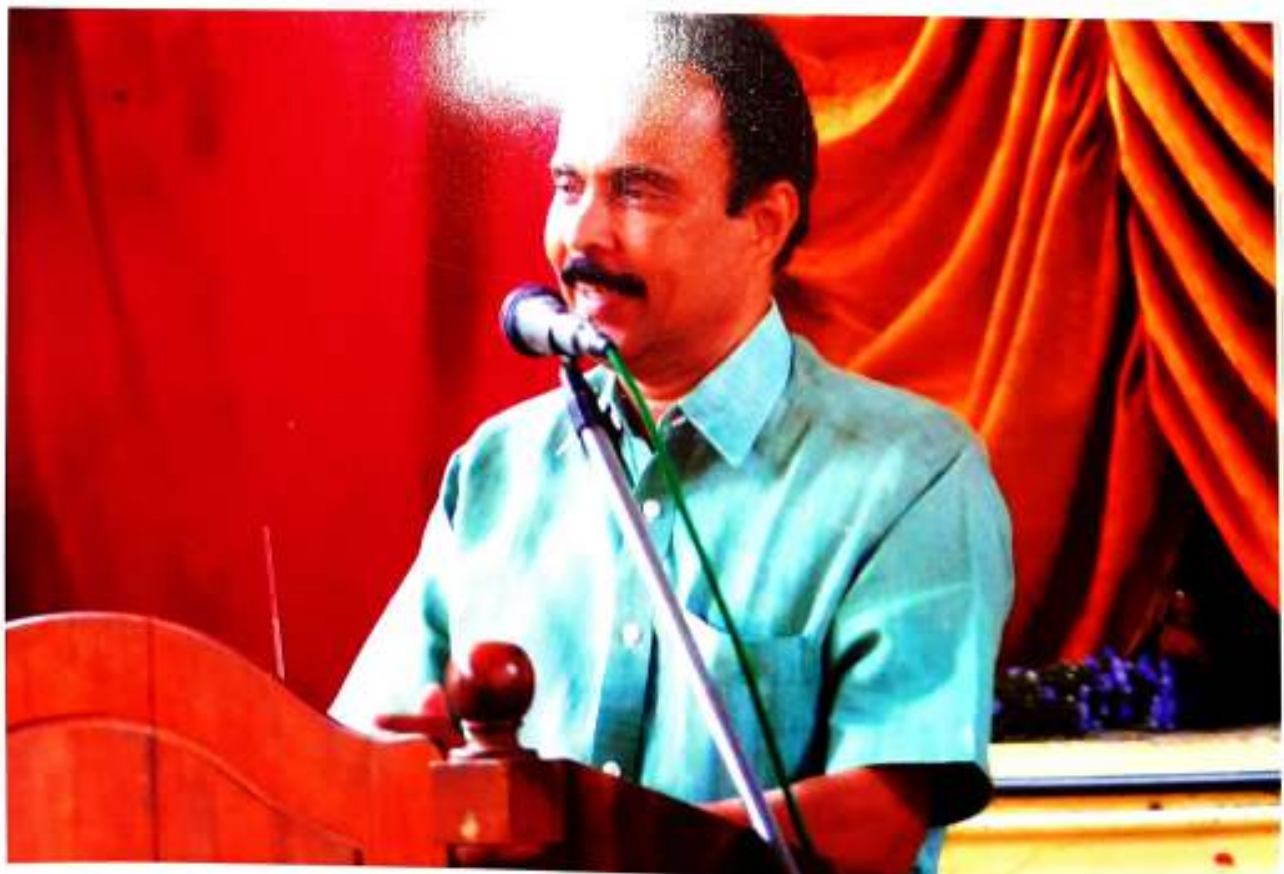

The two days seminar concluded with various career information, educational information, job search information, etc.
