

SREE NARAYANA COLLEGE PUNALUR
WALK WITH SCHOLAR PROGRAMME 2020-2021

In the contest of stringent conditions of covid pandemic, college remained close, and the offline classes started from January onwards. The internal mentoring sessions and counseling for necessary students among already selected mentees of the previous year continued in online mode for reducing the stress, isolation and anxiety of students.

One day external mentoring session has been arranged in March 4, 2021 for reducing the psycho –social problems and isolation caused to the mentees and to provide sufficient counseling to the needy students, The offline program was inaugurated by Principal Dr . T Pradeep.

The session was handled by Dr. Anand, Clinical Psychologist, Vijaya Hospital Kottarakkara and Karuna Hospital, Punalur. He is the Consultant Psychologist of Janamaithri Police , Kollam district.

The session felt to be very beneficial to the mentees, which helped them very much to reduce their stress during the pandemic induced lockdown period.
