DEPLOYMENT DOCUMENTS

Sree Narayana College, Punalur has effectively charted out and implemented a plan of action for ten years from 2015 onwards for the sustainable development of essential areas which will further help the academic and social well-being of the students. Among the strategic plans, the college gives due priority to the infrastructural development which will strengthen the physical facilities of the college thereby providing ample opportunities for the higher education pursuits of students at the college. Some of the thrust areas include

1. Improving the basic physical facilities of the college such as classrooms, toilet, canteen, hostel etc.
2. Strengthening the teaching and learning process
3. Improving the research and extension activities.
4. Promoting extension activities and outreach programmes

Infrastructure Development

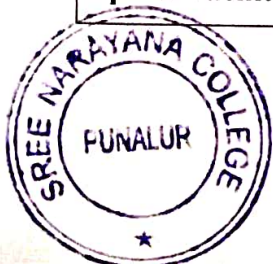

The college has successfully implemented a strategic plan for the deployment of basic infrastructure facilities such as the construction of classrooms, revamping laboratories, renovation of the auditorium and seminar hall, installation of library software and beautification of the campus. The fund for the same is mobilized from management, RUSA, PTA, Alumni and Teachers. All the plans have been effectively deployed earlier than the expected period. Infrastructure Renovation and Development include the following.

Plan	Deployment	Mobilization of Fund
Construction of Golden Jubilee Building	Construction of well-furnished classrooms and department rooms	Management
Renovation of Library	Automation of Library with LIBSOFT software, bar code reader for the issue of books and LIBSOFT OPAC mobile app for online searching of books.	PTA
Revamping of laboratories	Floor tiling, electrification and plumbing in Chemistry, Zoology, Mathematics and Physics laboratories.	RUSA Fund was instituted through Kerala State Construction Corporation Ltd.
Modernization of classrooms	III B.Sc. chemistry, I, II III BA History classrooms and PG	RUSA Fund, Instituted through Kerala State
