## About the College

Sree Narayana College, Punalur has been imparting knowledge to the student fraternity and promoting excellence in the field of education, since 1965. Having been bound to the philosophy of the farsightedness of the great philosopher and social reformer, Sree Narayana Guru and to the vision of the founder and former chief minister Sri. R Sankar, Sree Narayana College, Punalur had crossed its fifty nine years of historic milestones.

The eco-friendly ambience that persists in the campus revitalizes the cognitive and psychomotor domains of human intellect inculcating the social, moral, aesthetic values for moulding a holistic personality.

## About the Seminar

The Seminar aims to capture Biodiversity through the eyes of the youth focusing on the threats to biodiversity, Biodiversity Conservation, its Global strategies, legal scenarios and environmental policies. In this platform, experts will address some remarkable moments to recognize the precious goods and services provided by the priceless entities of nature. It will provide an insight on the need for the conservation of the indigenous values of the protected areas, sacred groves, the cornerstones of biodiversity protection. It is anticipated that on the whole the seminar will provide a diligent platform to discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions to be adopted in the conservation of our motherland.
