The Controller Of Examinations

To  
All Principals

Sub : National Academic Depository-Digilocker-Instructions to the students to open digilocker account-reg:

The University of Kerala has already implemented National Academic Depository which is a depository that issues academic awards like degree certificates/marklists in digital format. Now as per the directions from ministry of HRD the NAD scheme is implemented through Digilocker which is an Indian digitization online service provided by the Ministry of Electronics and Information Technology(MeitY) under Digital India initiative.

Students can get the academic awards in digital format directly from the authentic issuer anytime,anywhere without any physical interface with them. Moreover other authentic digital documents issued by various government agencies including Aadhaar,PAN,Driving Licence,Vehicle registration certificate etc can also be availed in Digilocker. Instruction for the students to open Digilocker account is attached along with this e-mail.

Initiative may be taken to impart awareness among the students regarding NAD-Digilocker and encourage them to open Digilocker account

Yours faithfully,

**Sd/-**
